1. What a BOD! 2. Too cool for school. 3. Show us "YOUR" underalls!

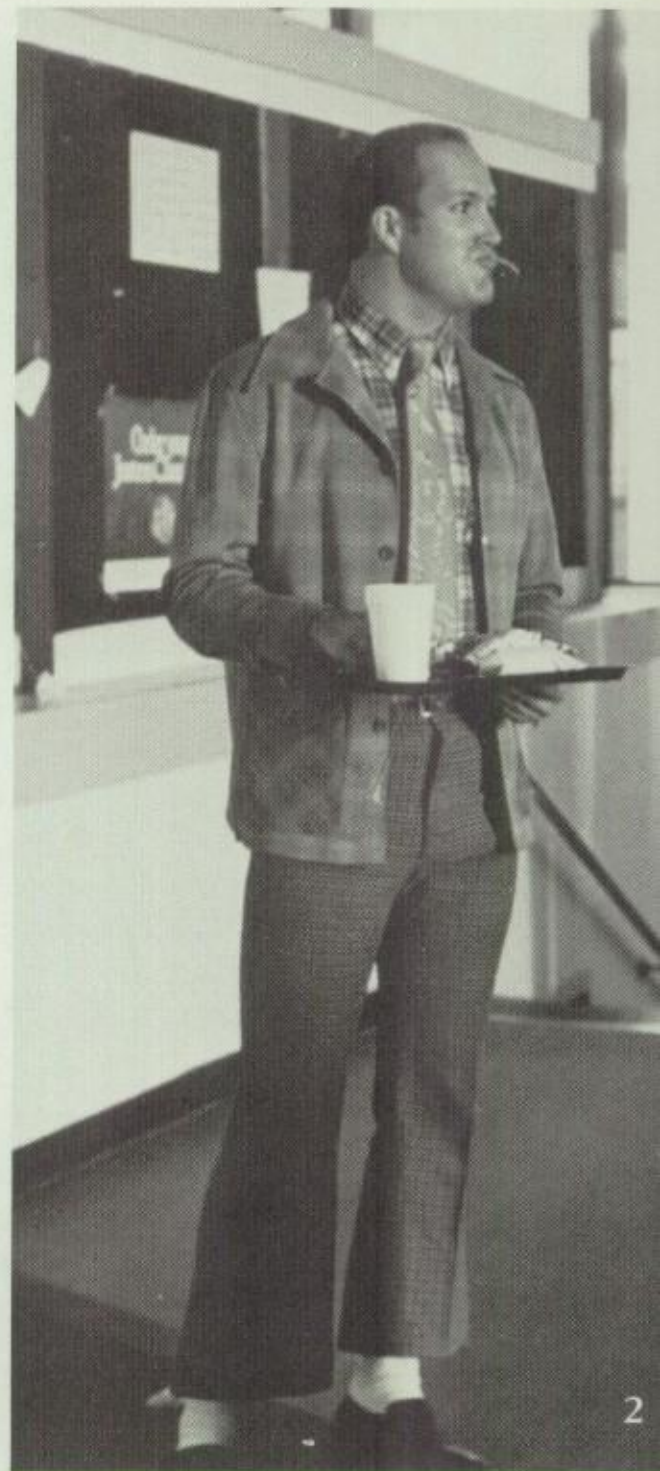

Friends make up a large part of our school. You can see them passing notes in class or talking about the boy or girl in their lives. Friends are people you can trust and people who will make you happy when you are sad. They rely on you to be a companion and a person to lend a hand. Friends share the same interests as you do. They listen to rock music, go to the movies, and even play sports. But most of all a friend is a person to give a hug.

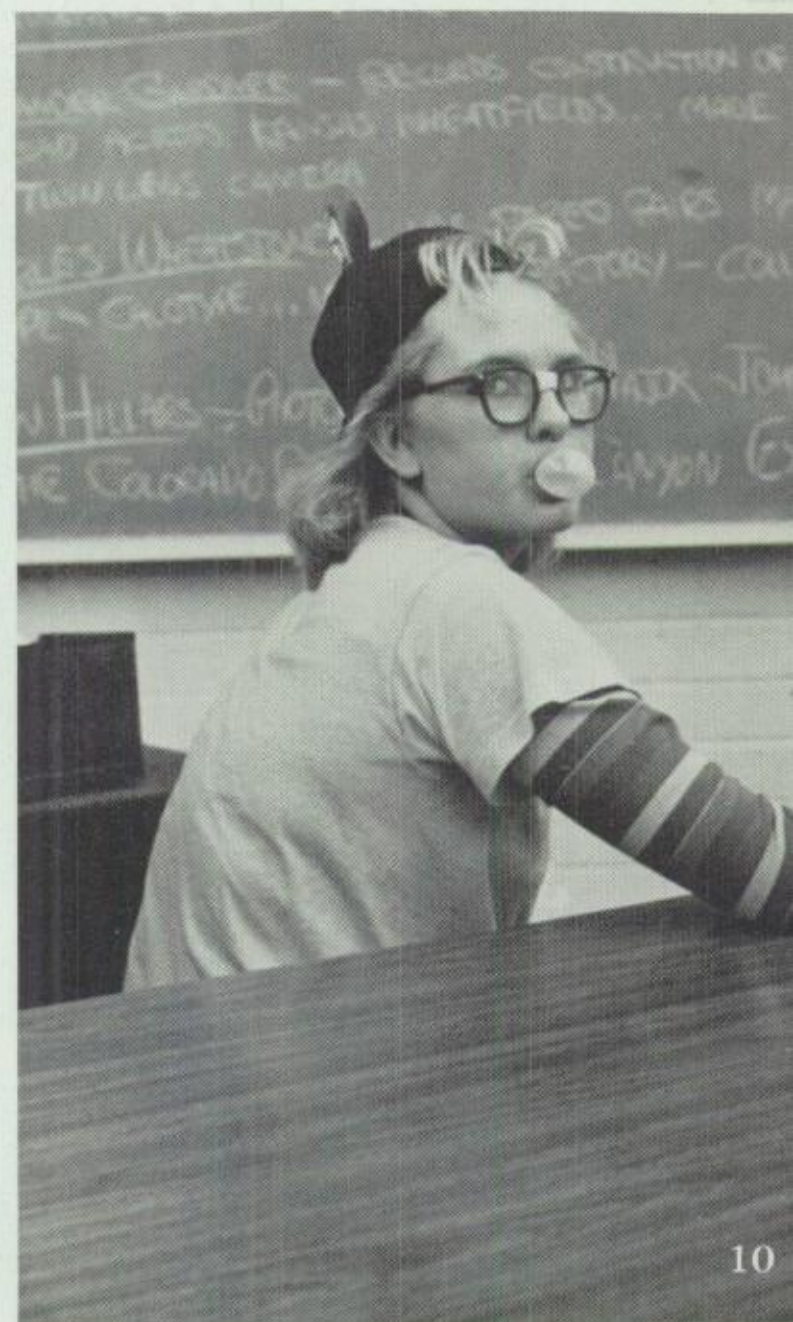

1. Kevin tries to get a little too friendly! 2. Triple trouble!!! 3. What did he write this time Greta? 4. Let's get a little bit rowdy! 5. Van and D.J. are caught in the act! 6. Be REAL! 7. Autographs anyone? 8. Here's a couple of our cross-country friends. 9. Another deadline? 10. One of their favorite accomplishments. 11. Mr. Ireland helps with Mr. Craig's concentration. 12. "No Stoppin' Us"

Homecoming this year was indeed a success. The theme for Homecoming 1984-85 was "There's no stoppin' us." The week was filled with fun and excitement, from class competition to the last slow dance our spirit rapidly grew. Homecoming even appeared to bring everyone together. Even though the football team lost to Round Valley, the true spirit of Homecoming was brought out by the Student Body and the alumni. We hope this spirit continues.

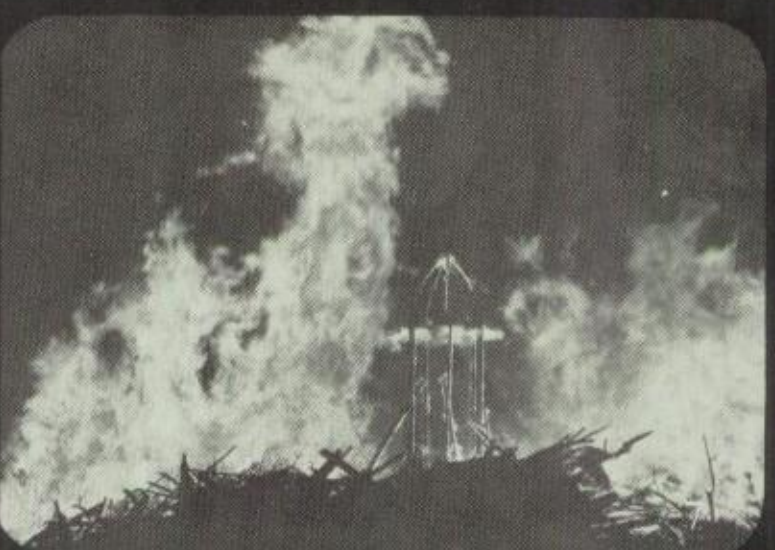

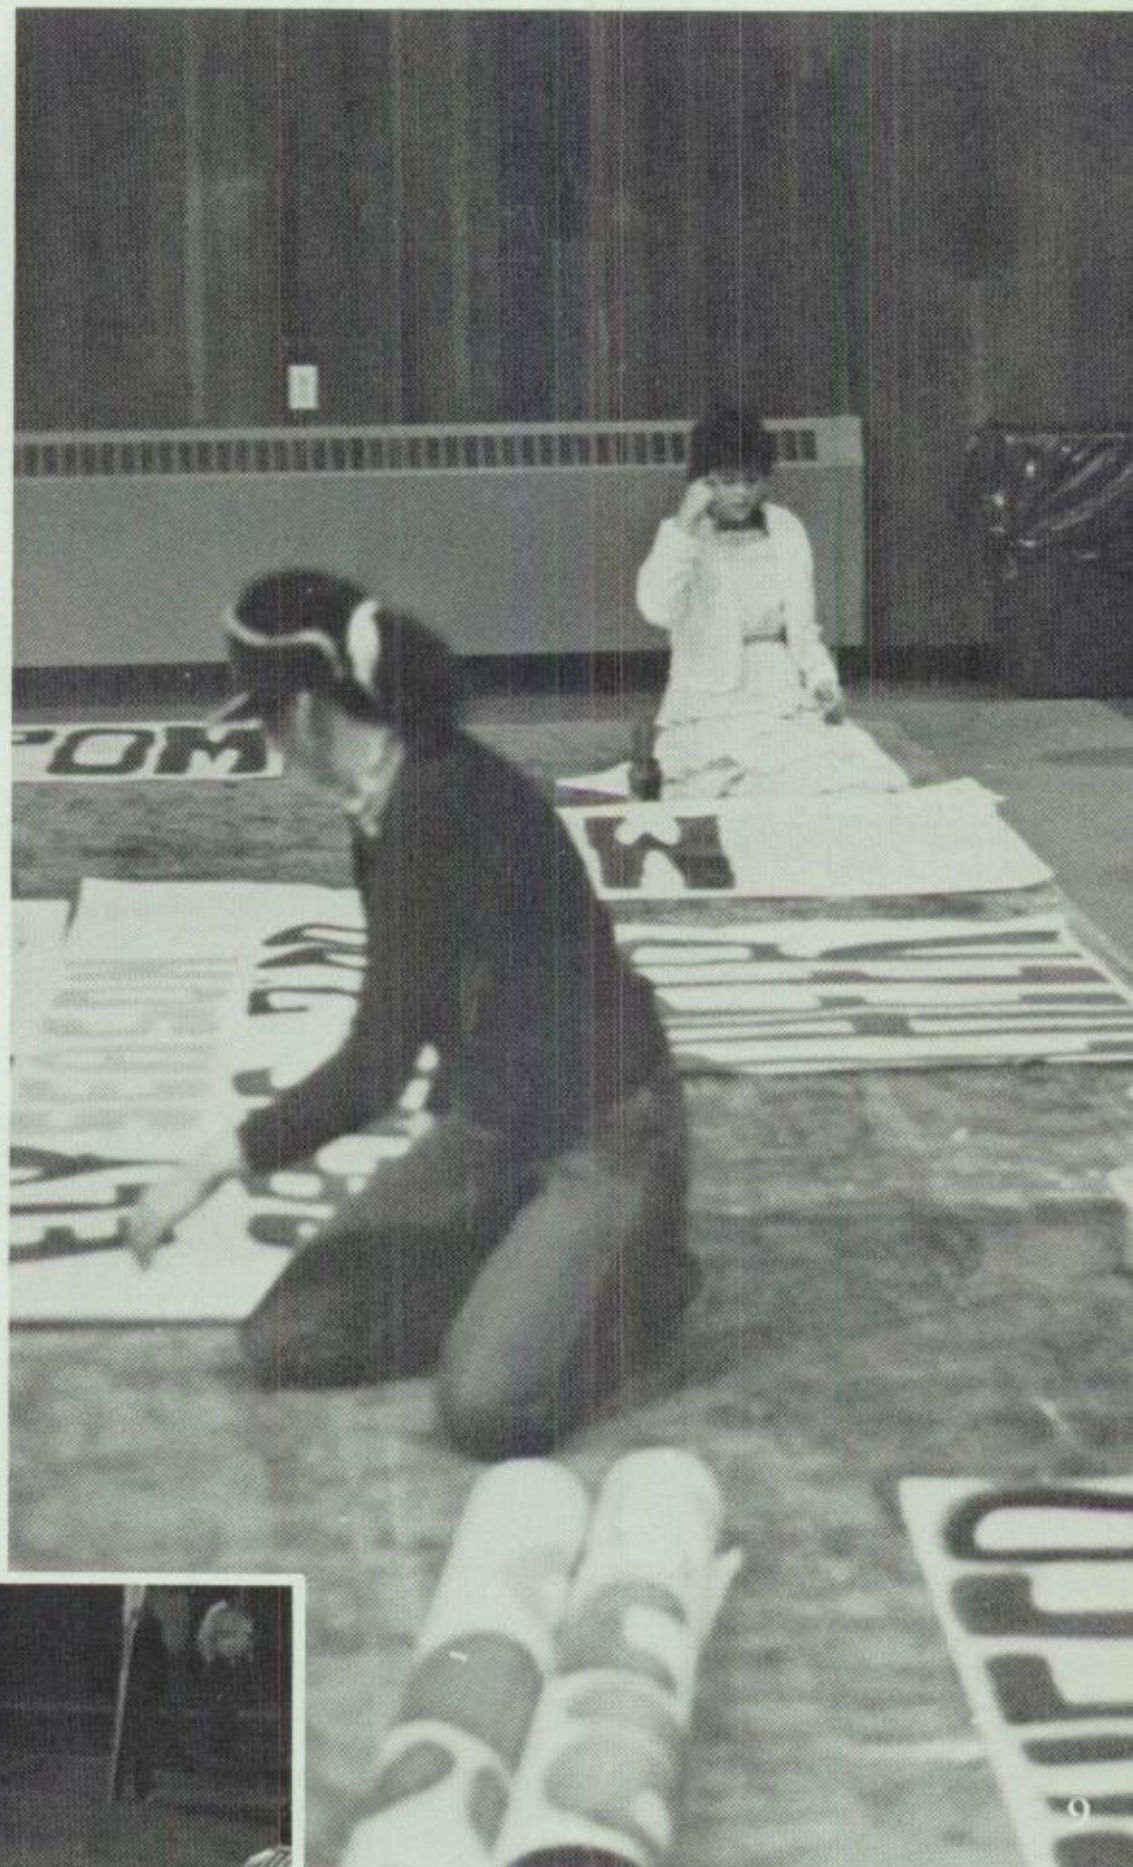

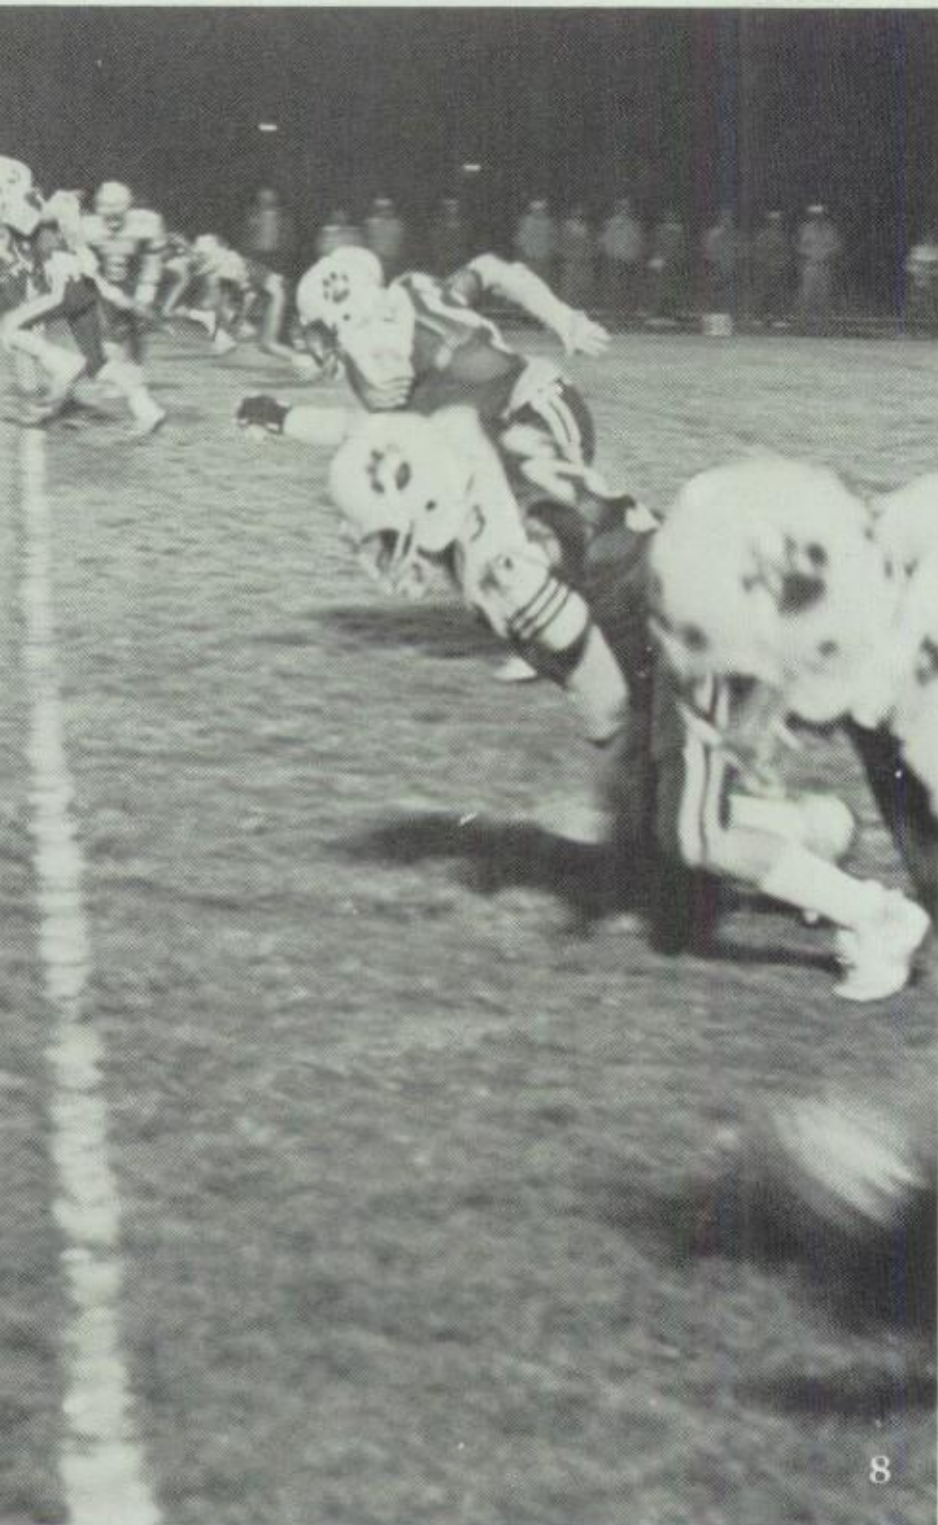

1. Let's take turns! 2. 'Er ya talkin' ta me? 3. Just a couple of our many skilled students. 4. Aunt Gretta Wants YOU! 5. Shauna-na-na! 6. Hold on to your horsie! 7. Lisa helps put out the bonfire. 8. Good job girls, Richard Simmons would be proud. 9. Carol ... bang your head. 10. Introducing the 1984-85 COVER-GIRL!

1. A day at the school pool. 2. This is no time for sit-ups! 3. Expectations were high before the game. 4. Ride home after a hard day's cheer. 5. Royalty en route to the parade. 6. Am I getting any darker? 7. All the hard work goes up in smoke! 8. 1, 2, 3 ... GET 'EM! 9. Homecoming preparation with some thought. 10. So what's the call ref?

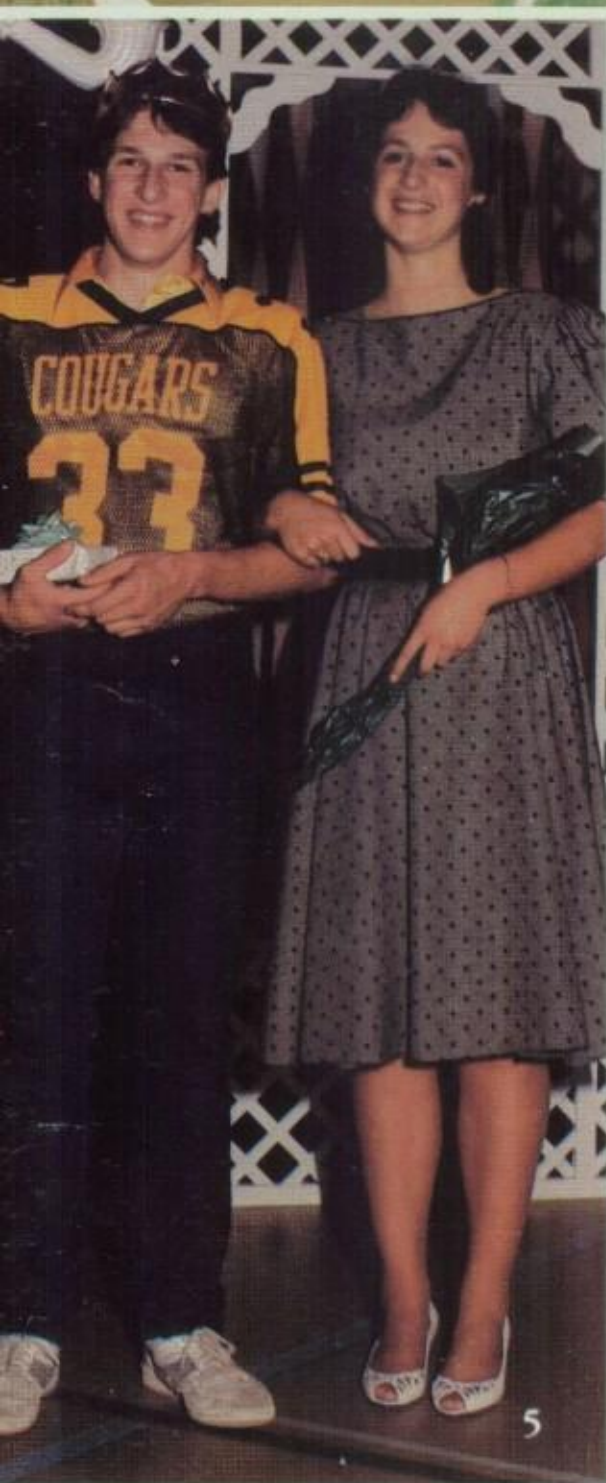

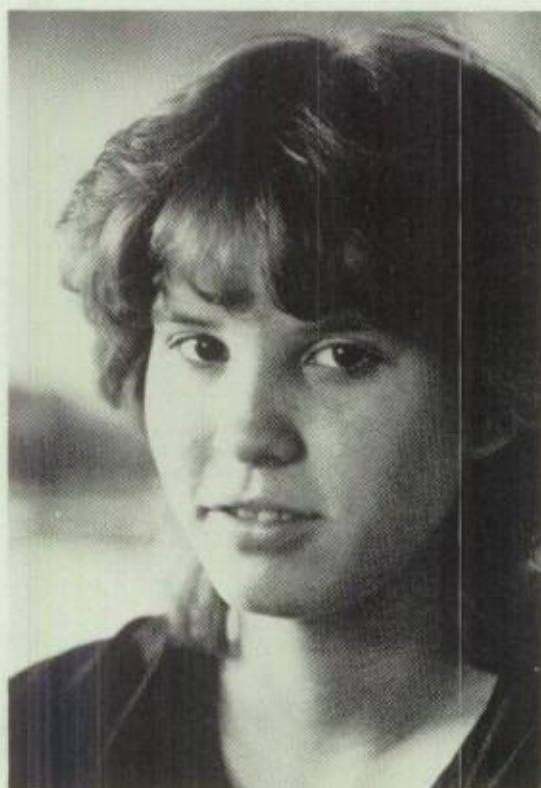

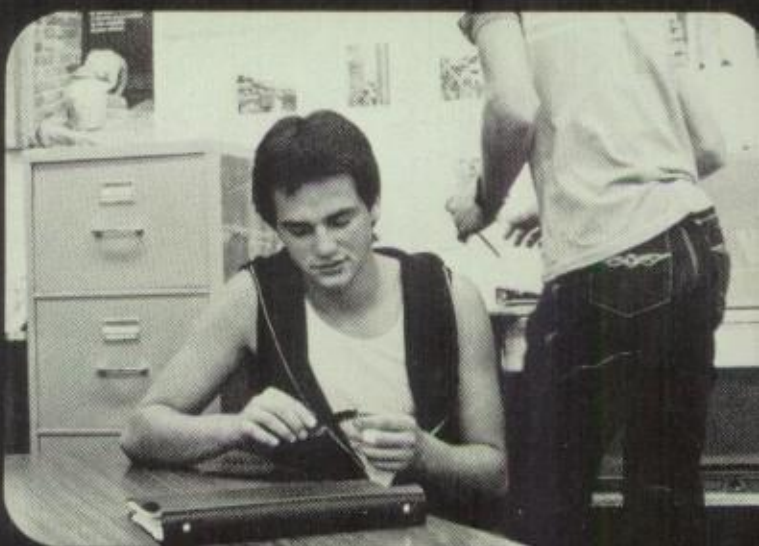

The tricycles races, class competition, and announcing of Royalty were some of the highlights of Homecoming. This year's Royalty was a joy and delight to see. Our Homecoming King and Queen were David Rush and Buffy Potts. First and second attendants were Bob Owens, Tandy Harris, Lynn Hunsaker, and Christy Corder. Shawn Bryant and Caryn DeWitt were our Prince and Princess. First and second attendants were Tim Godfrey, Lanae Owens, Kris Linch and Noelle Martinez.

A Week Of Excitement

1. The Royal Court is now in session! 2. The faculty in their "Sunday Best"! 3. Long live the King and Queen. 4. Come out with your hands above your heads. 5. Show Low High's very own Prince Charles and Princess Di. 6. Do I look like a frying pan?

The SENIOR FACES OF '85 are many and varied, depending on the personality of its owner.

I, BRAD OSGOOD, being of sound mind, do will nothing to no one and take everything with me. I don't have much and what I do have I had better keep. I, ROGER BUNCH, do will my thinness to Mr. Bunch so he doesn't have to buy new clothes all the time. I, KRIS THRONE, being of sound mind, do will my cruising vessel to any hosehead who'll buy it. I will my old glasses to the legally blind. My head to any tire low on air and my nose, I will to the Sunrise Ski Resort. I, TAMI WEBER, being of sound mind, do will to my brother a full tank of gas so he won't have to walk his date home from prom. To Show Low High the best memories. Later days, better. I, DAVID RUSH, being of sound mind, do will to my little brother my ability to block a punch with his arms instead of his nose. Goodbye SL and so long. I, DARBI REIDHEAD, being of sound mind, do will to Shawn Bryant I leave my massive 32AA bra in hopes he can fill it out better than I did. To Melissa Tucker I leave desire to hangin' and keep waiting for a date. To Show Low High, I leave!! I, LYNN HUNSAKER, being of sound mind do will all of my steroids and enthusiasm to Shawn Bryant on the football field. I, RIC BROWNFIELD, being of sound mind, do will my great driving skills to Ryan Mills so someday he might be able to drive his TR-7 like a real sports car should be driven. To Bridget I leave my height so someday she might be able to reach the top locker without help. I, PATRICK WALKER, being of sound mind, do will all of my aluminum cans to Buddy Shipley after all he needs all the charity he can get. I also will my good sense to Stuart Tucker, he needs a little. I, MIKE HALL, being of sound mind, do will my ability to hit and bruise to my sister Shealyn so she may be able to control her boyfriends. I, MANDY MCKINLEY, being of sound mind, do will to Lachelle Melendy the keys to her car because I was always borrowing it. To Angela Jackson my height so someday she may be able to see her locker combination. To Show Low High School thanks for some of the best memories. Later Days. I, VAN STAPLEY, being of sound mind, do will my hair to Coach Holladay and I do will all my goats to Tim Godfrey may he use them wisely. I also will my "All American" scholarship to Pinedale University, "Home of the Porkers," to Gary Ullery so he may be a success in life. I, TRACY SUMERLIN, being of sound mind, do will to my brother Mark everything but my diploma. To Mrs. Clayton, all of my Dairy Queen cups. And to June Sumerlin my flirting ability, or ... should it be the other way around? I, CAROL JONES, being of sound mind, do will my developmental secretary skills to Jennifer Tippets, so with both of ours together she might pass Mrs. Lopeman's class. To Mr. Francis, I will a pair of pants that are long enough for his long legs and a solid colored shirt. To Show Low High and all the staff, "thanks." I, LOREN COVINGTON, being of sound mind do will my racket cruise to my cruiser. And I also will my great ability of hating to go to school to everyone who has something else better to do. And my ability of getting caught doing something wrong to anyone who may get snuffed. I, IONE PEARCE, being of sound mind, do will my grades to my little brother, if he needs them. And to anyone who has a desire to achieve goals, and a good attitude towards life. I, TANDY HARRIS, being of sound mind, do will my dippitydo to Greta Garver, so when she runs out of hers she can use mine. To Angela, Debbie, and Rikki, I will my sports bra which all three can fit in at the same time. To Kevin Morgan I leave my tanning lotion so he won't blind anyone when he moons! To the 1984 Football team I will my thanks for helping our volleyball team climb to the top. To the Seniors of 1986, I wish you luck and may we keep reaching for the stars. I, TONI GARVER, being of sound mind, do will my athletic ability to Angela Jackson, and to my sister my fans so her head won't deflate. My brains to my brother so he can graduate. I, MONTY OWENS, being of sound mind, do will my running ability to the upcoming cross-country runners so that they can finish in the top 20 at any meet. My ability to get hurt in wrestling to whoever wants it, and my great running memories to my coach, Coach Scholten. And now I'm gone. "Bye!" I, RHONDA WAHL, being of sound mind, do will my top locker to Sherrie Hale in hopes she can reach it next year. I leave my good grades and my good looks to my little sister Deidre. I also leave all my good memories of my senior year to Trina Reidhead in hopes hers will be good. I, TANYA WEBER, being of sound mind, do will to Brent Dannely my track spikes so he can turn that fat into muscle. I also will my top locker to my little brother because he's never had one. To everyone who's called me Tammie I hope now that they can tell us apart. To Show Low High thanks for the great memories. Now I leave. I, BEAR TUCKER, being of sound mind, do will my good looks to my sister Melissa. And my good driving skills to Randall Whipple. I also will my drinking skills to Lanae Owens. I, RENEE HOLLADAY, being of sound mind, do will my outgoing personality to Rae and Kim. To Donnie I will my ability and skill to play raquetball. To Mr. Ireland I will my pair of 501's. To Stan, I will my ability to ditch and not get caught. And to Show Low High School I will only my memory. I, KATIE BRADY, being of sound mind, do will my ability to party to my little bro Chris and all his friends. And to Belinda the ability to let go of and get on to bigger and better things. See ya S.L.H.S. Thanks for the laughs. I, SUSAN MCCORMACK, being of sound mind, do will to Kellyn Tisdale, one wild and crazy girl, my battle wagon because we have had some super times cruizin' around. To the underclassmen, my big mouth in hopes that they might have more school spirit in pep assemblies. To the staff, whom I have come to consider as friends, and to my fellow students, thanks for all the wonderful memories. Later Days! I, SHERYL DUNCAN, being of sound mind, do will my height to any tall person who always wished they were short. To Bridget Crittendon the ability to see over the dashboard of a car. And to the freshmen, that they someday will have a top locker so they will not have to worry about falling books. I, DENISE WHITE, being of sound mind, do will to Rosie Luna, the finer art of making it home on time physically, but not mentally. And to Brad Whipple, the ability to match his socks to his shirts. And to Netter, all of my good, good excuses that got me through high school. Now I'm taking off, eh?!! I, DAVID FROST, being of sound mind, do will my ability to get an "A+" in advanced pencil sharpening to Kory Squire so that he will have an easier time graduating than Mitch. To Tim Godfrey and Shawn Bryant my ability to get a scholarship to Pinedale State University so that we will have a better chance at beating ASU in a cowmilking contest someday. To upcoming Spanish students, all the fun I had in Mr. Allens Campus Wildlife Class. And last of all to Sandy Russell I leave this sweet thought: "Out of all the girls I know, you're one of them." I, GERRY FOSTER, being of sound mind, do will some smarts to Tim Godfrey so he can turn the ignition key in our truck the right way. And to Shawn Bryant an alarm clock that works so that when Tim picks him up in the morning for school he will at least be awake. I, BOB OWENS, Being of sound mind, do will a life time supply of milk to the coaches to soothe the ulcers I've given them over the years. To Joe O'Connor, my height so he can see over next years line. To Mr Francis the memories of the best senior class ever, the class of '85. I, HEIDI BURLESON, being of sound mind, do will my top locker to my brother, Shane, because he's finally growing up. To next year's editor, I will my title as editor if you're crazy enough to take it. Good Luck! I, KATHERINE FREEMAN, being of sound mind, do will all of my locker decorations to Natalie, since she liked them so much. I will my shin splints to Natalie also, you can have them! And to anyone in Show Low High School I will my locker, it never opened anyway! Also, I will my musical talents to Teresa, if that's what you call it! I, STEPHANIE VALERO, being of sound mind, do will Deann Romero all of my papers and pens so that she can open her own post office. To all new poms I leave my ability to not go to practices and not get kicked off. To all seniors I wish them all best of luck in the future in whatever they plan to do.

The Junior Class accomplished a great deal this year. They sold stuffed animals around Christmas, put on some dances, sold at football games and even creamed the seniors in the bonfire. Asked earlier this year about the turnout for the prom, class president Ryan Mills said that, "with the planning going the way it is now . . . there will be a huge turnout and it will probably be the best one put on yet." The Junior Class advisors were: Mr. Hart, Mr. Lopeman, Mr. Scholten, Mrs. Scholten, Mr. Ayers, Mr. Ruth, and Mr. Bunch.

The Freshmen class this year got off to a slow start like all Freshmen classes do. Freshmen did not have many activities planned this year because there was a lack of participation like always. The class advisors were Mr. Francis, Mrs. Ruth, Mr. Taft, Mrs. Rosania, Mrs. Lopeman, and Mr. Pantera. Asked about being a Freshmen class advisor, Mr. Francis said, "It's the pits." (Nothing personal)

CONGRATULATIONS!

You have already achieved one of the first major steps in your education. Now there stretches before you countless opportunities.

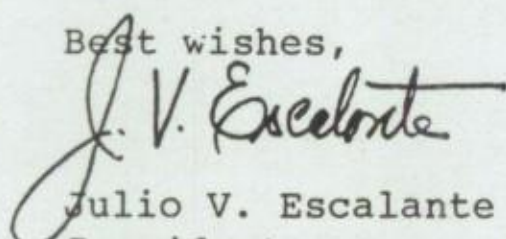

You are your best asset. You must learn to use your abilities and talents and take pride in yourself and your work. Each of you is unique. Each is special and has qualities and values that are his alone.

Life is what you make it. If you take the challenges that are offered you as opportunities you will prosper in the coming years. You are the architect of your own life. One is not a victim of life unless one chooses to be.

Some people think that cliches are just that, not applicable to life. Most have some base and hold value for todays graduates. When life gives you lemons, make lemonade-bloom where you are planted. Make the best of your circumstances. We live in an age where nothing is impossible as long as there is enough desire.

What I would really like to say to you is this, set goals and do not be afraid to reach them.

Best wishes,

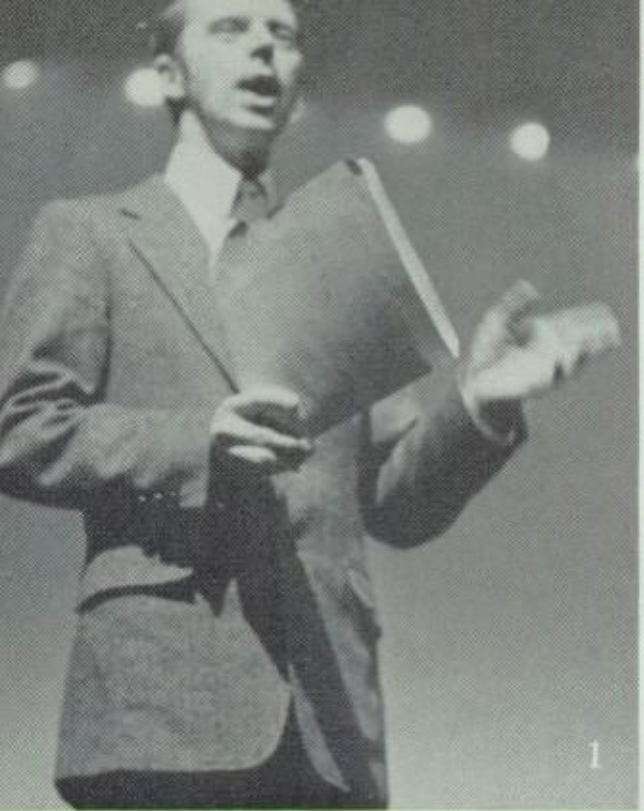

Julio V. Escalante
President

I Wanna Rock!!!

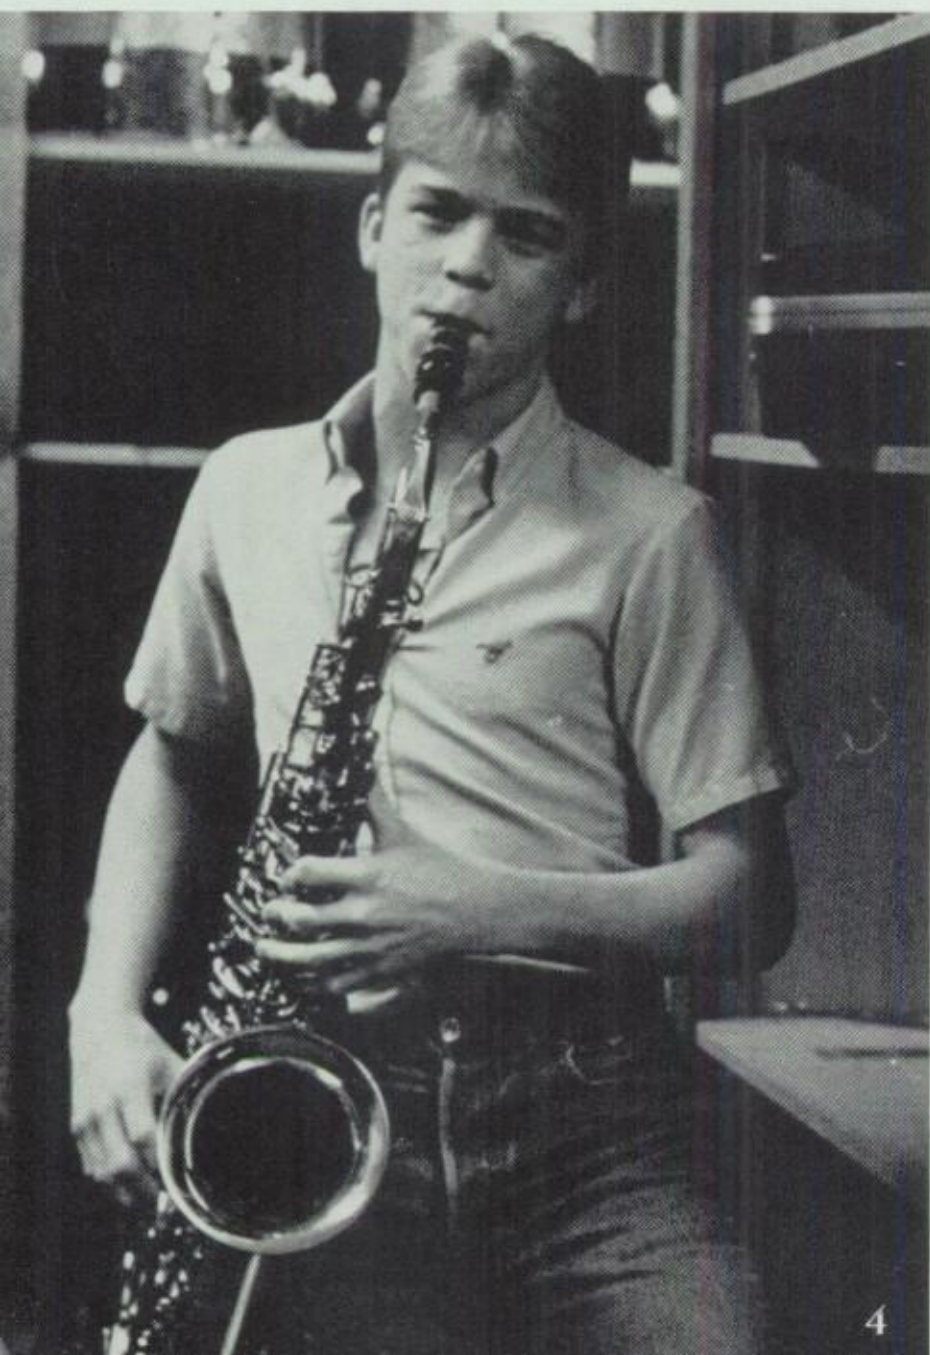

1. A chorus of angels. 2. Who died? 3. The ants go marching ... 4. Drumming up business? 5. We're suppose to play this?!

Swing Choir started the year off very well with three exceptionally excellent concerts. They held a Swing Jazz Festival on November 3, a Fall Concert on November 7, and a Christmas Concert on December 12. Swing Choir consisted of 25 fine singers under the direction of Mr. Gentry, who was pleased with their performances. Probably their best performance was the Christmas Concert because the concert aided the people in getting into the Christmas spirit. Swing choir also had a solo ensemble in January which only involved students who wanted to participate in the event.

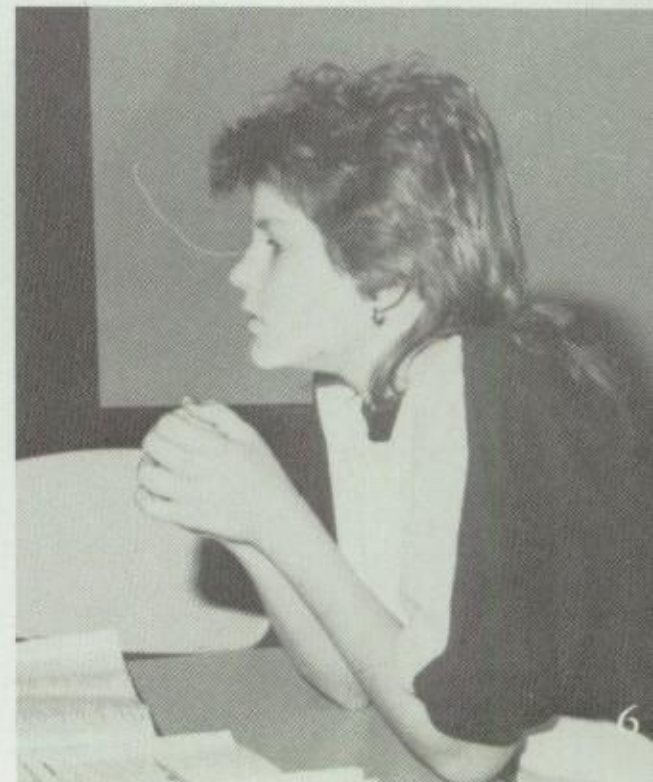

1. It must come from the diaphragm! 2. Give me a C? 3. Raise your hand if you're sure! 4. Jam on it! 5. Swaying to the music (Sandy sways a little too much)

Drama "Plays" Around

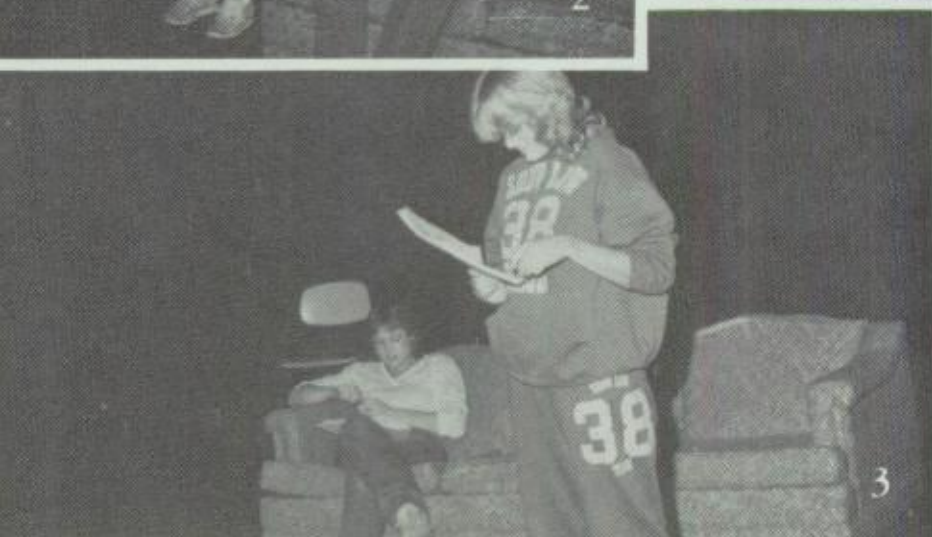

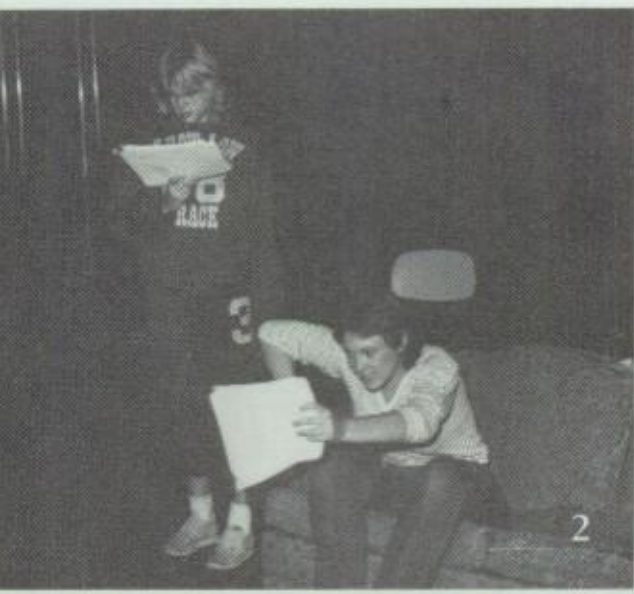

1. Put your right hand in and shake it all about! 2. Is something wrong? 3. Tell me your problems . . . I'm listening. 4. I hate dressing nice, but it's required. 5. Pssst . . . What's the next line? 6. I can't wait 'til this play's over, but I have to put up a good front.

Drama presented the school and the community with a number of major productions this year. Included in these plays The Curious Savage, and two Christmas plays, The Tree and Skulduggery at Santa's Place. They put on an all district musical entitled George M. George M. was a major production like last years Oliver. There was a lot of time spent at the practices and putting the set up for presentation. George M. was open to the community and everyone could be involved. The advanced Drama class also presented a play in May. Drama also used the plays in a one act fashion for competition. Mrs. Wasson and Mr. Gentry split the advising and directing of these plays. We owe Drama a round-of-applause for presenting us with these great plays.

1. ... and if I'm elected ... 2. "I can't seem to get off the sofa." 3. "Since I can't get up, let's just go on." 4. Picture Perfect! 5. We know what we're doing!

'Twas almost vacation,
when all through the school
not a teacher was stirring,
not even a fool;

The decorations were hung
in the halls with care,
In hopes that the vacation
would soon be there;

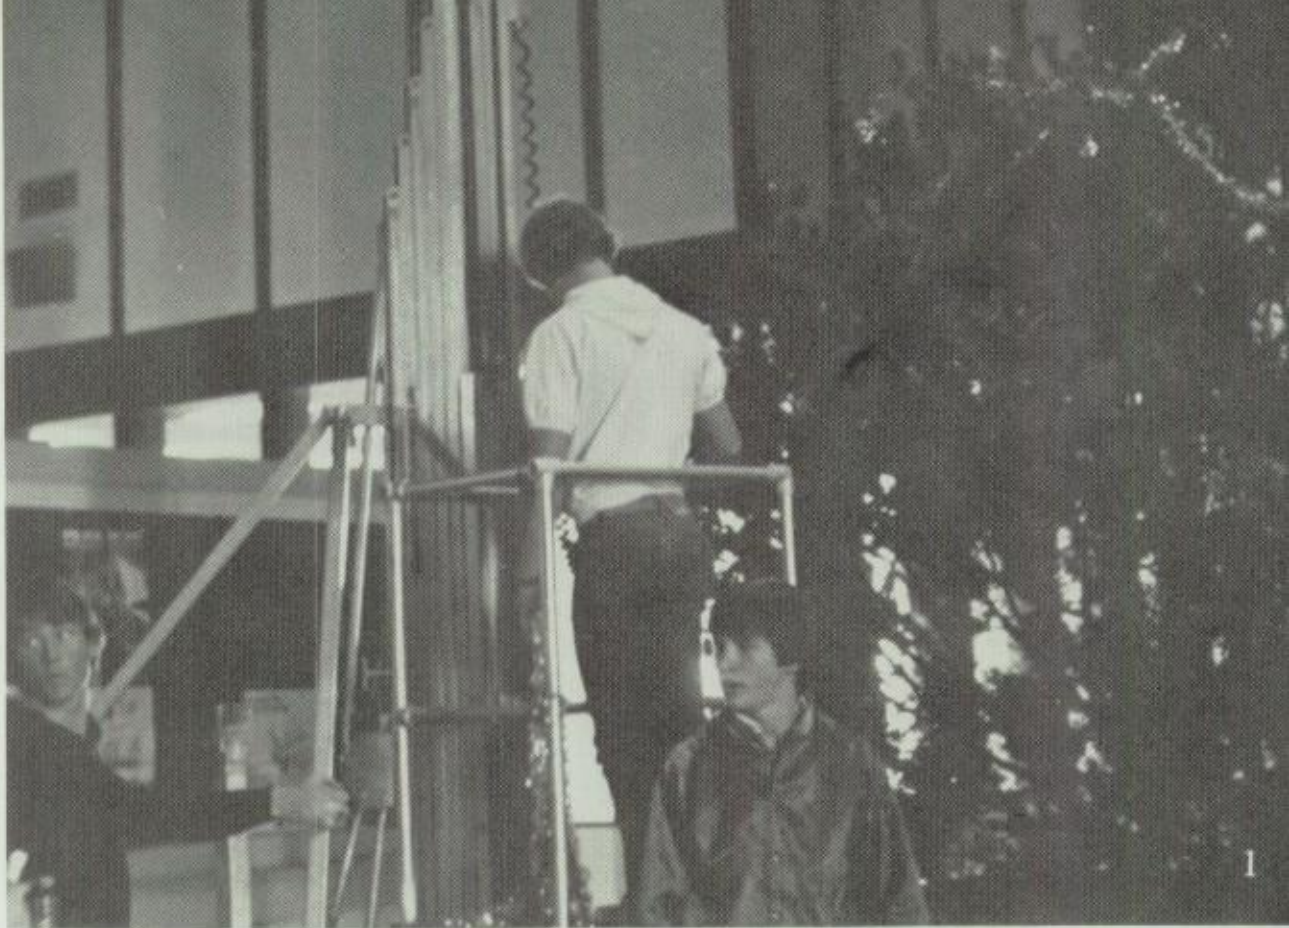

The students were shaky
all wrapped up in their dreads,
While visions of finals
danced in their heads;

When out came the grades
there arose such a clatter,
Everyone sprang from their senses
to see what was the matter.

Away they were
they flew like a flash,
Tore open the doors
and threw up their trash.

When what to their wondering
eyes should appear,
But a brand new semester,
and a shiny new year.

'Twas Almost Vacation

Here Comes The Bride

Every year the Marriage and Family class has a mock wedding. The class chooses a bride, groom, bridesmaids and ushers. This year's bride was Darbi Reidhead, the groom was Monty Owens. Maid of honor was Tandy Harris and the best man was David Rush. Bridesmaids were Mandy McKinley, Susan McCormack and Lanae Owens. The ushers were Craig Brown, Shawn Bryant and Lynn Hunsaker. Tanya Weber officiated as preacher, Janelle Brookbank was the flower girl and Gage Permar was the ring bearer. This year the wedding was held in the auditorium and the reception immediately followed in the foyer.

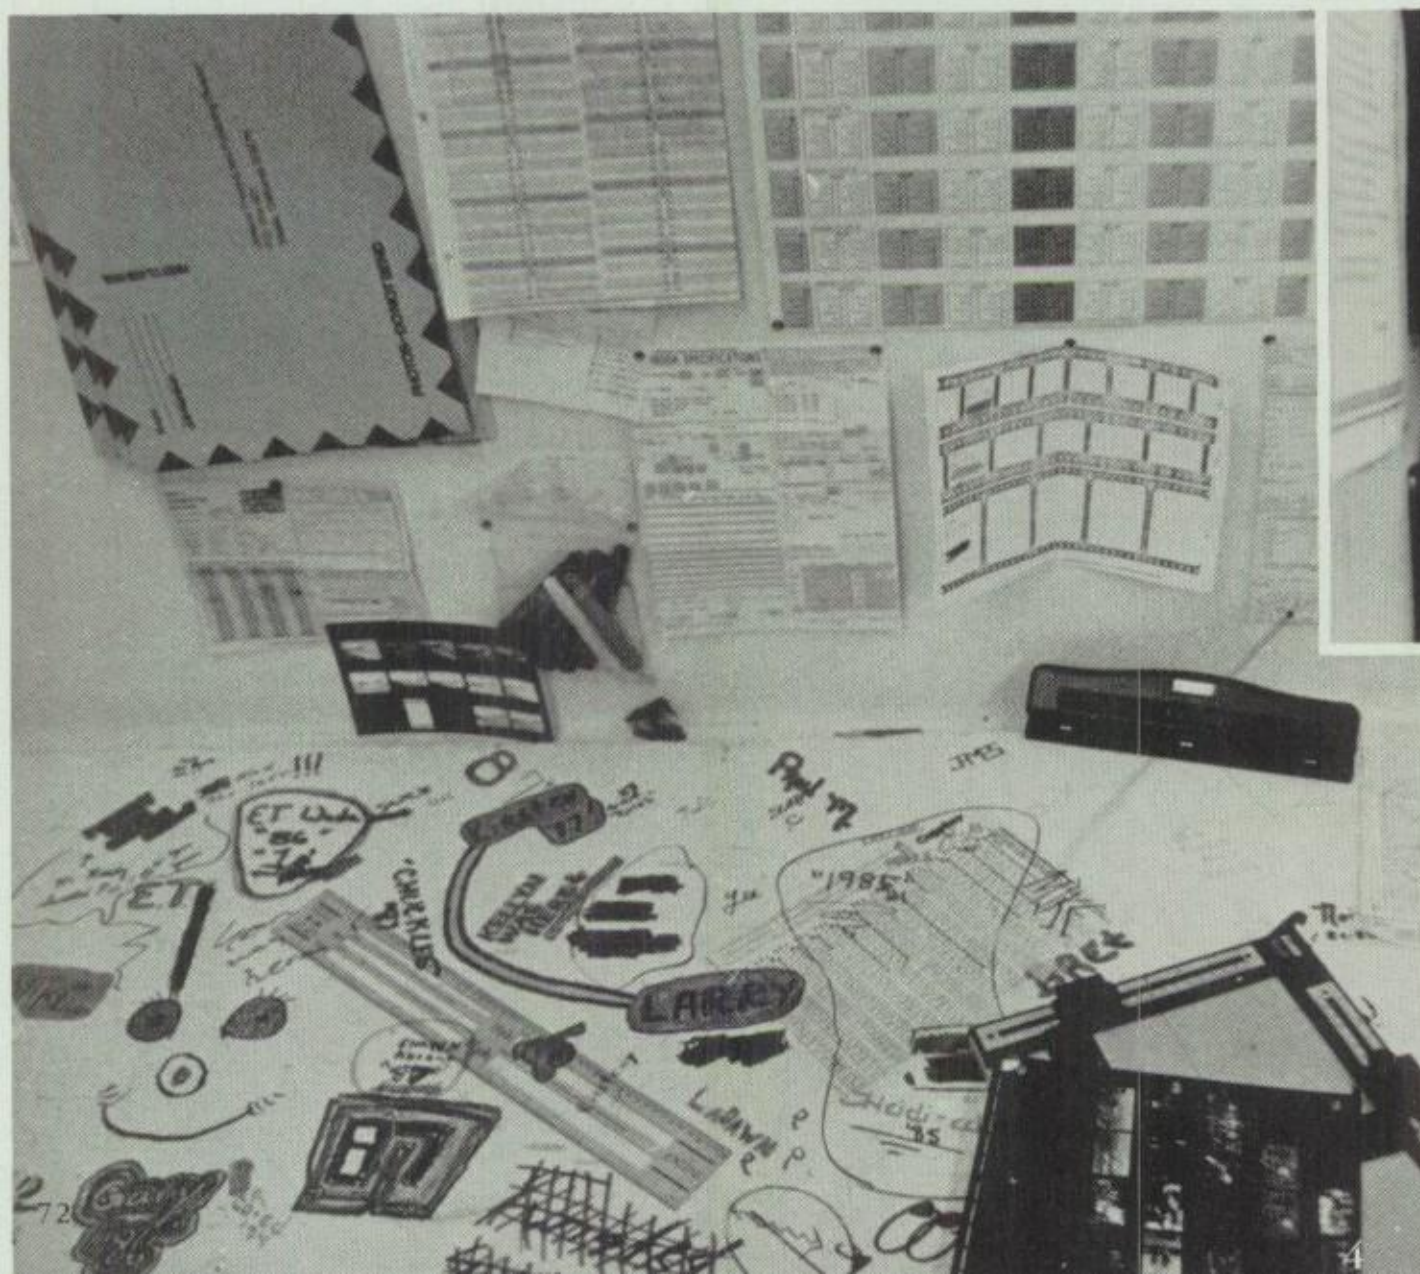

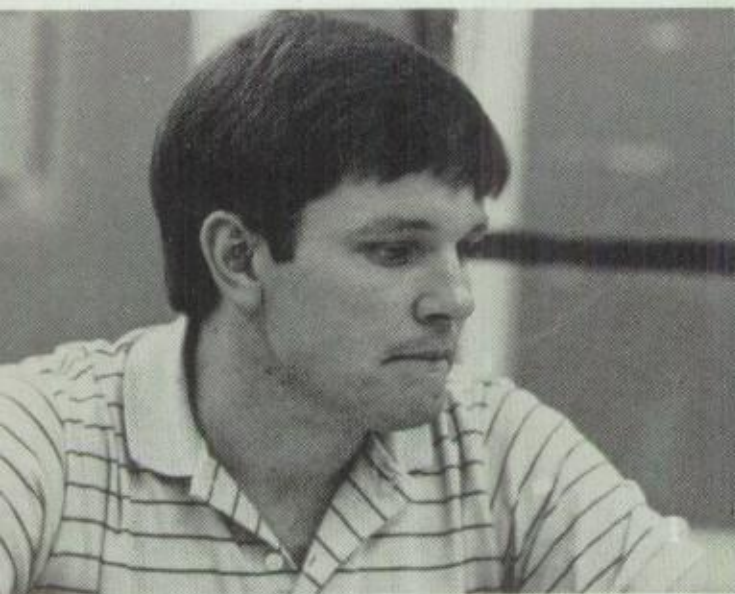

1. Be careful not to cut your fingers Monty.
2. So tempting to step on!
3. Anxiously waiting for the ceremony to begin.

Sacrifice And

Success!

The true meaning of "Yearbook" can really only be understood by those who have *experienced* it. It is more work and headaches than you ever imagined possible. At the same time it is a feeling of togetherness as we all work towards a common goal. This 1985 Reflections Yearbook is the product of many pressure-filled, overtime hours. As the tension mounts, tempers grow shorter and patience wears thin. If the pros and cons of Yearbook were debated, the verdict would be, "It was worth it!"

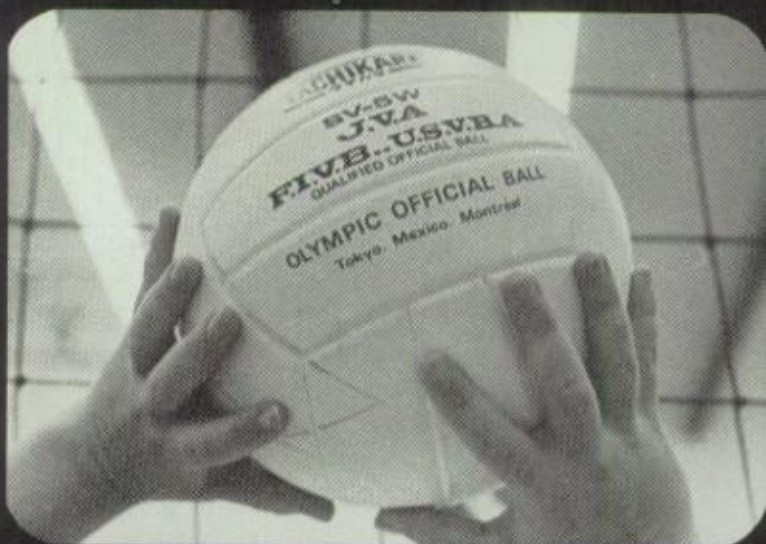

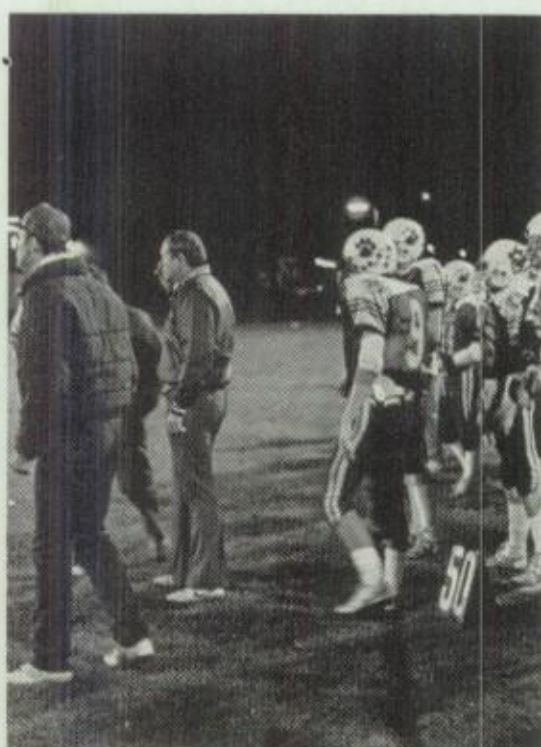

1. Brainstorming Mr. Craig. 2. Yearbook class lt. to rt. We'll Miss But Not Forget You . . .

This year Show Low High School is going to experience a great loss that we will accept and understand because of the happiness and excitement it will cause in this person's life. This unique person is Mrs. Kay Ruth. Her teaching career consists of eight years teaching in Phoenix, one year in Snowflake, and seven years in Show Low. Four of those seven years have been spent at the high school where she has been a special friend to many students. Mrs. Ruth has made the decision to retire from teaching and begin a new career. Mr. and Mrs. Ruth have purchased a clothing store in Pinetop called the "Clothes Express," which Mrs. Ruth will manage full time. This change in careers will give her a new challenge and a chance for personal growth. In Mrs. Ruth's own words, "I am not closing the door on sixteen years of teaching; I am simply opening another door in my life." Mrs. Ruth has had a great deal of influence over many students' lives, and because of this she will remain in our memories for many years to come. So the 1985 Reflections Yearbook staff would like to dedicate the book to Mrs. Kay Ruth.

The Paw Strikes Again

Our 1984 Varsity Football team proved themselves throughout the season with a record of 6-3. In his second year of coaching, Coach Max Foster said that "Show Low High School football is on the upswing." After improving a 1-6-1 1982 season with a 7-3 season last year, and finishing strong with a 6-3 season this year, Coach Foster feels the football team should be in the running for the conference championship next season. "Digger" O'Dell, Chris Holladay and Tom Pantera assisted in the coaching.

1. It's going to explode . . . Give it to Steve and run! 2. Jam packed action on the side lines. 3. Who could have ever imagined that Snow White's dwarfs would look like this? 4. Have some dignity, Roger, you're representing Show Low High! (See page 110 for team picture. *Left to right:* D. Hall, A. Nix, M. Garver, K. Reidhead, B. Steiner, S. Hunt, F. Brown, G. Ullery, F. Hall, S. Letcher, D.J. Ridgley, L. Covington, B. Owens, T. Duncan, V. Stapley, K. Morgan, K. Peterson.)

The Making Of A Champ

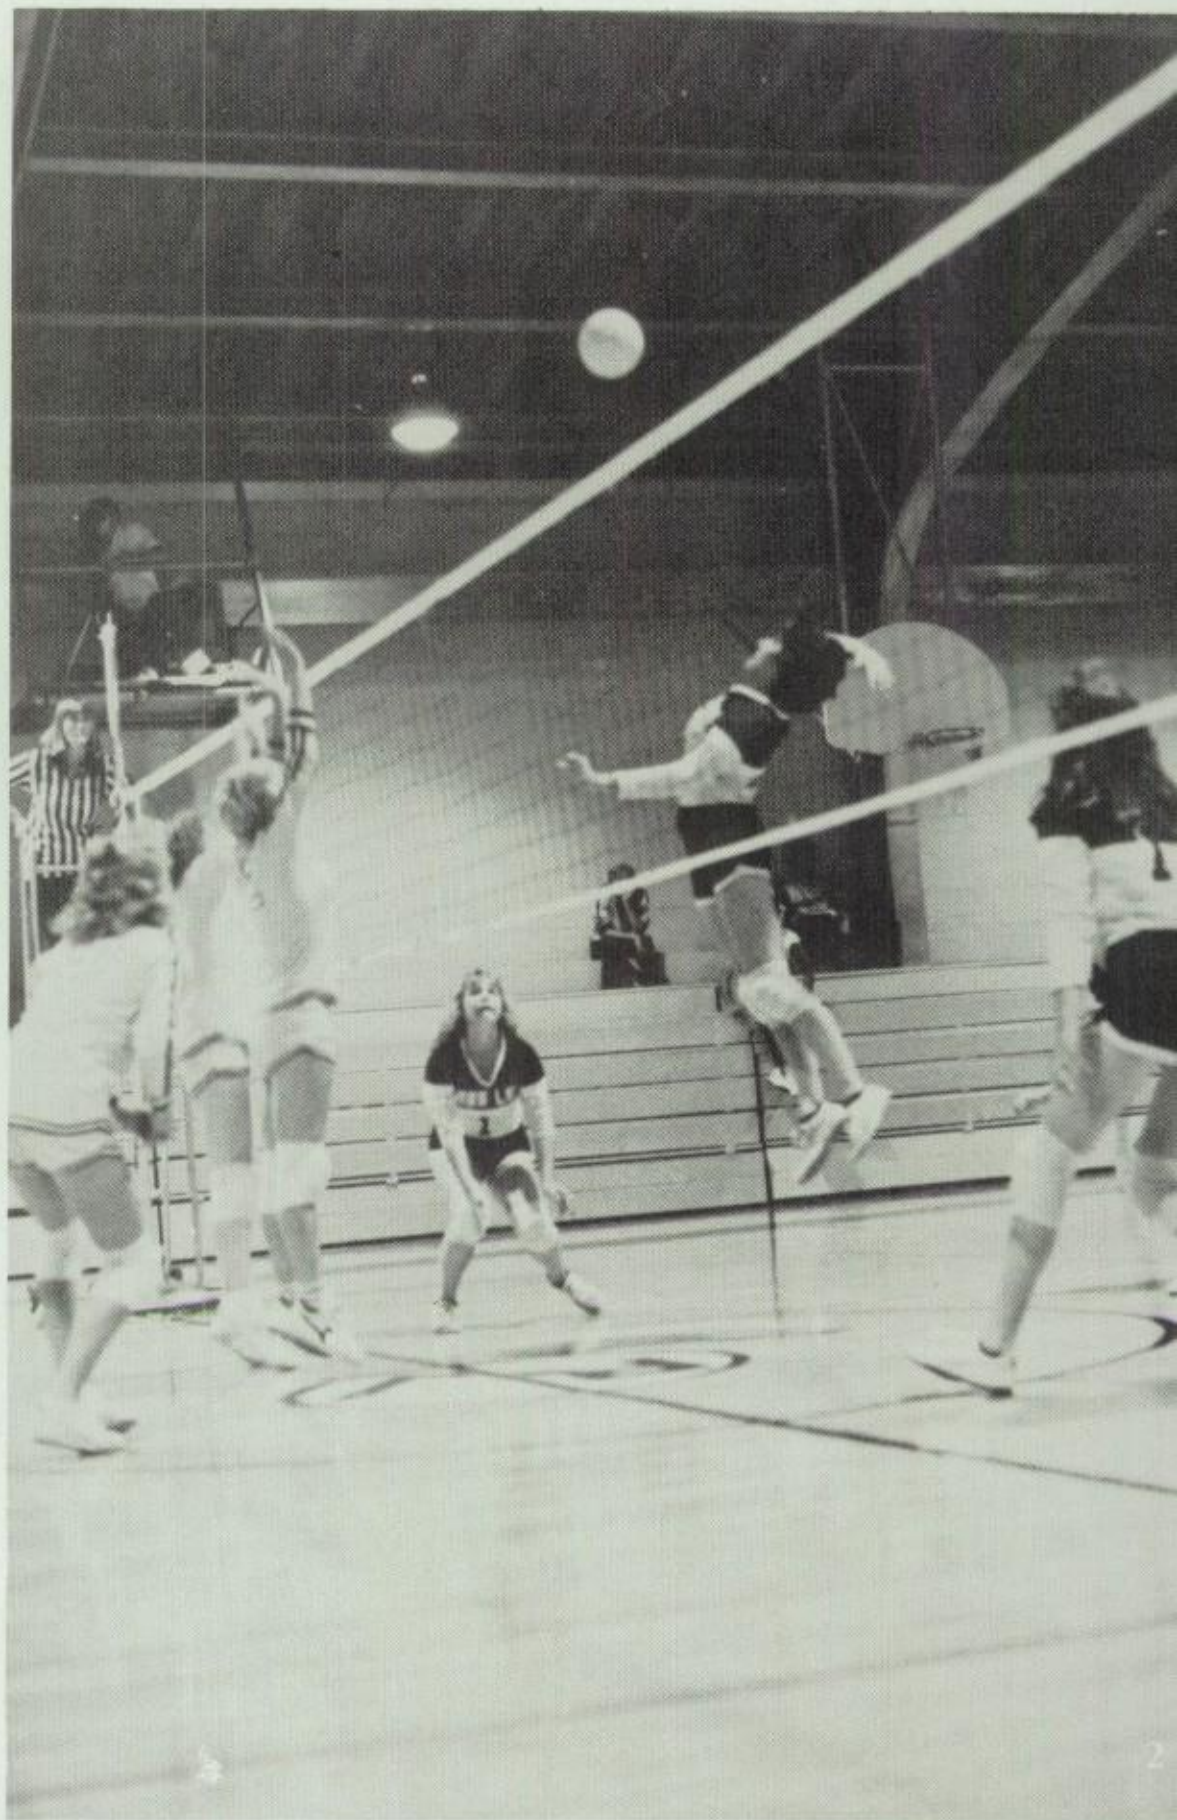

The Junior Varsity Football squad demonstrated their ability with a record of 4-2-2. Joe O'Connor, Keevin Reidhaed, Dan Rush, Rowland Anselmo and Kory Squire greatly contributed to the J.V. Football team. In his first year of coaching at S.L.H.S., Coach Tom Pantera said that "the games and practices demonstrated what fine young athletes we have." Coach Pantera hopes to have as good a turnout next year. Jeff Hurst assisted in coaching the J.V. team.

1. Come on ref! Blow the whistle! 2. Do we have too many guys on the field? 3. But, but, I don't have the ball, guys!!! 4. That's better than the cheerleader's mount guys!!!

Some Real Winners!!

1. Can I get in on this? 2. Bump, Set, Kaboom! 3. Debbie is dazed and amazed. 4. Ready to assist. (See page 112 for team picture. Left to right: Angela Jackson, Noelle Martinez, Greta Garver, Debbie Reidhead, Susie Hall, Trina Reidhead, Mandy McKinley, Tandy Harris, Susan McCormack, Caryn DeWitt, Cher Cutler.)

With the total desire and unselfish attitude of the entire Varsity Volleyball team, they had a very successful winning season which led them to a record of 13 wins and 9 losses. The strong attitudes of the whole team seemed to help them throughout the season. Tandy Harris and Caryn DeWitt made all conference 1st team. Trina Reidhead and Susan McCormack made all conference 2nd team.

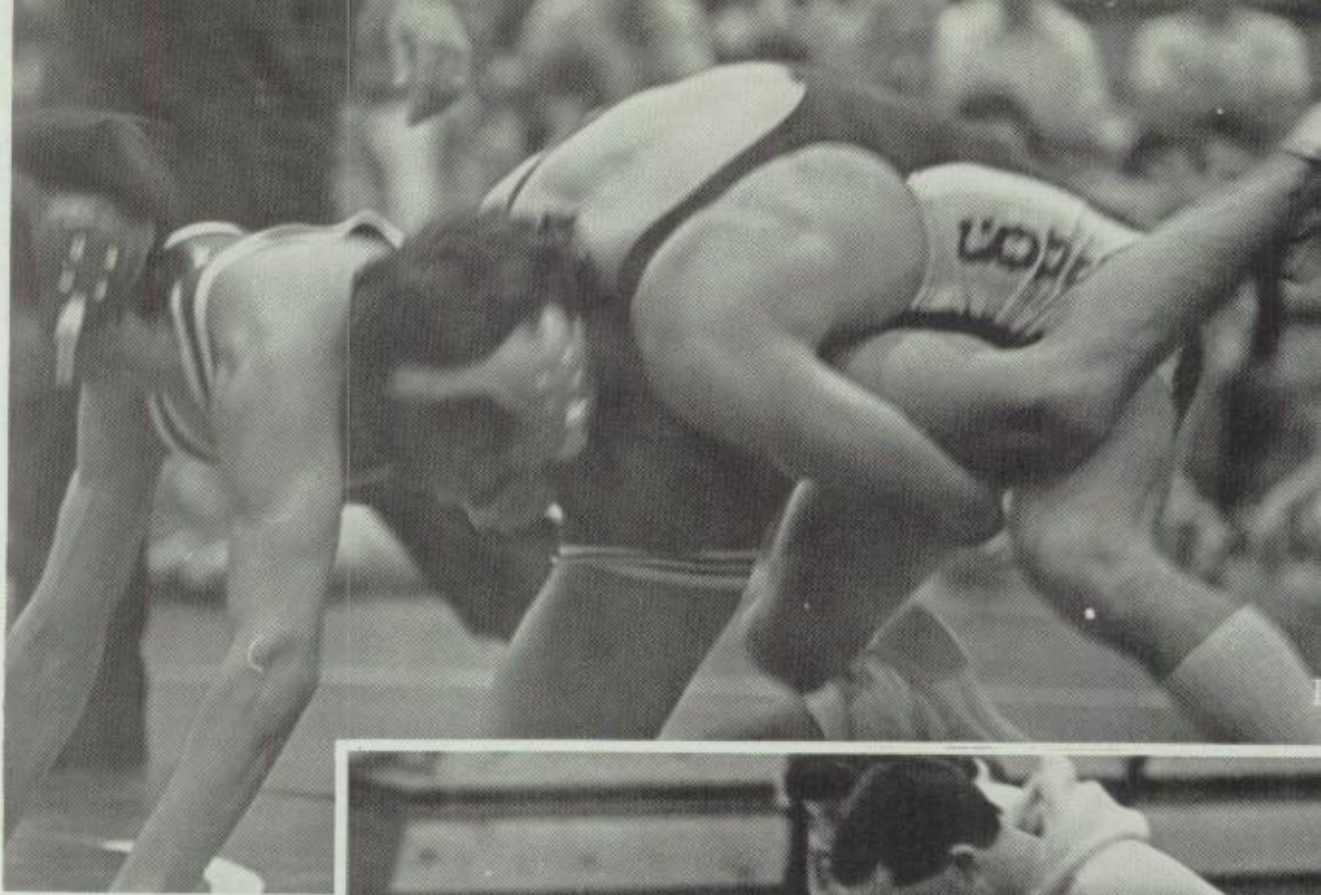

Girls' Volleyball Holding Their Own!

This year the Junior Varsity Volleyball team has displayed a tremendous desire to learn and help others learn. Their attitudes seemed to remain positive throughout the season. Coach Jan Crook says, "It is always a good season when your team learns teamwork and to play together." As far as win-loss is concerned, she always expects her players to improve. The Junior Varsity team finished the season with a record of 8-8.

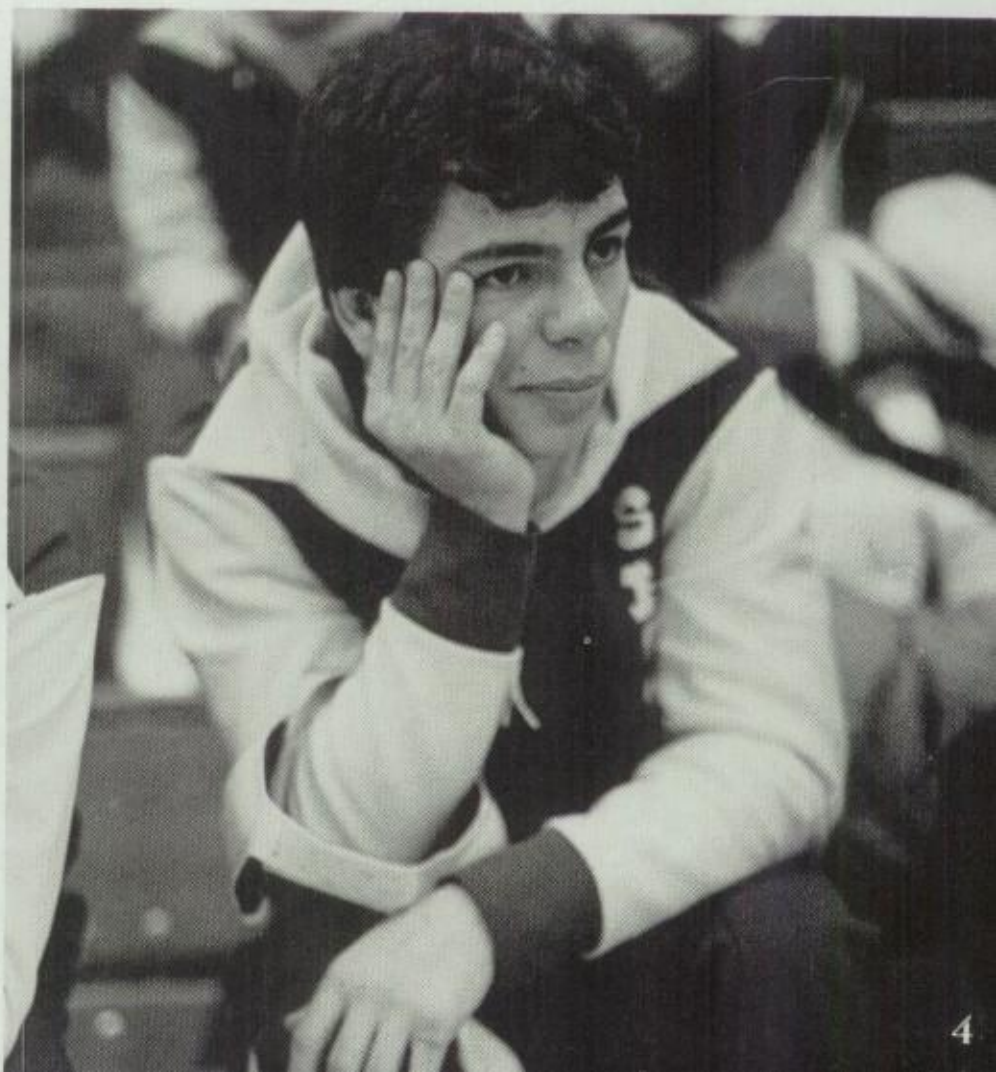

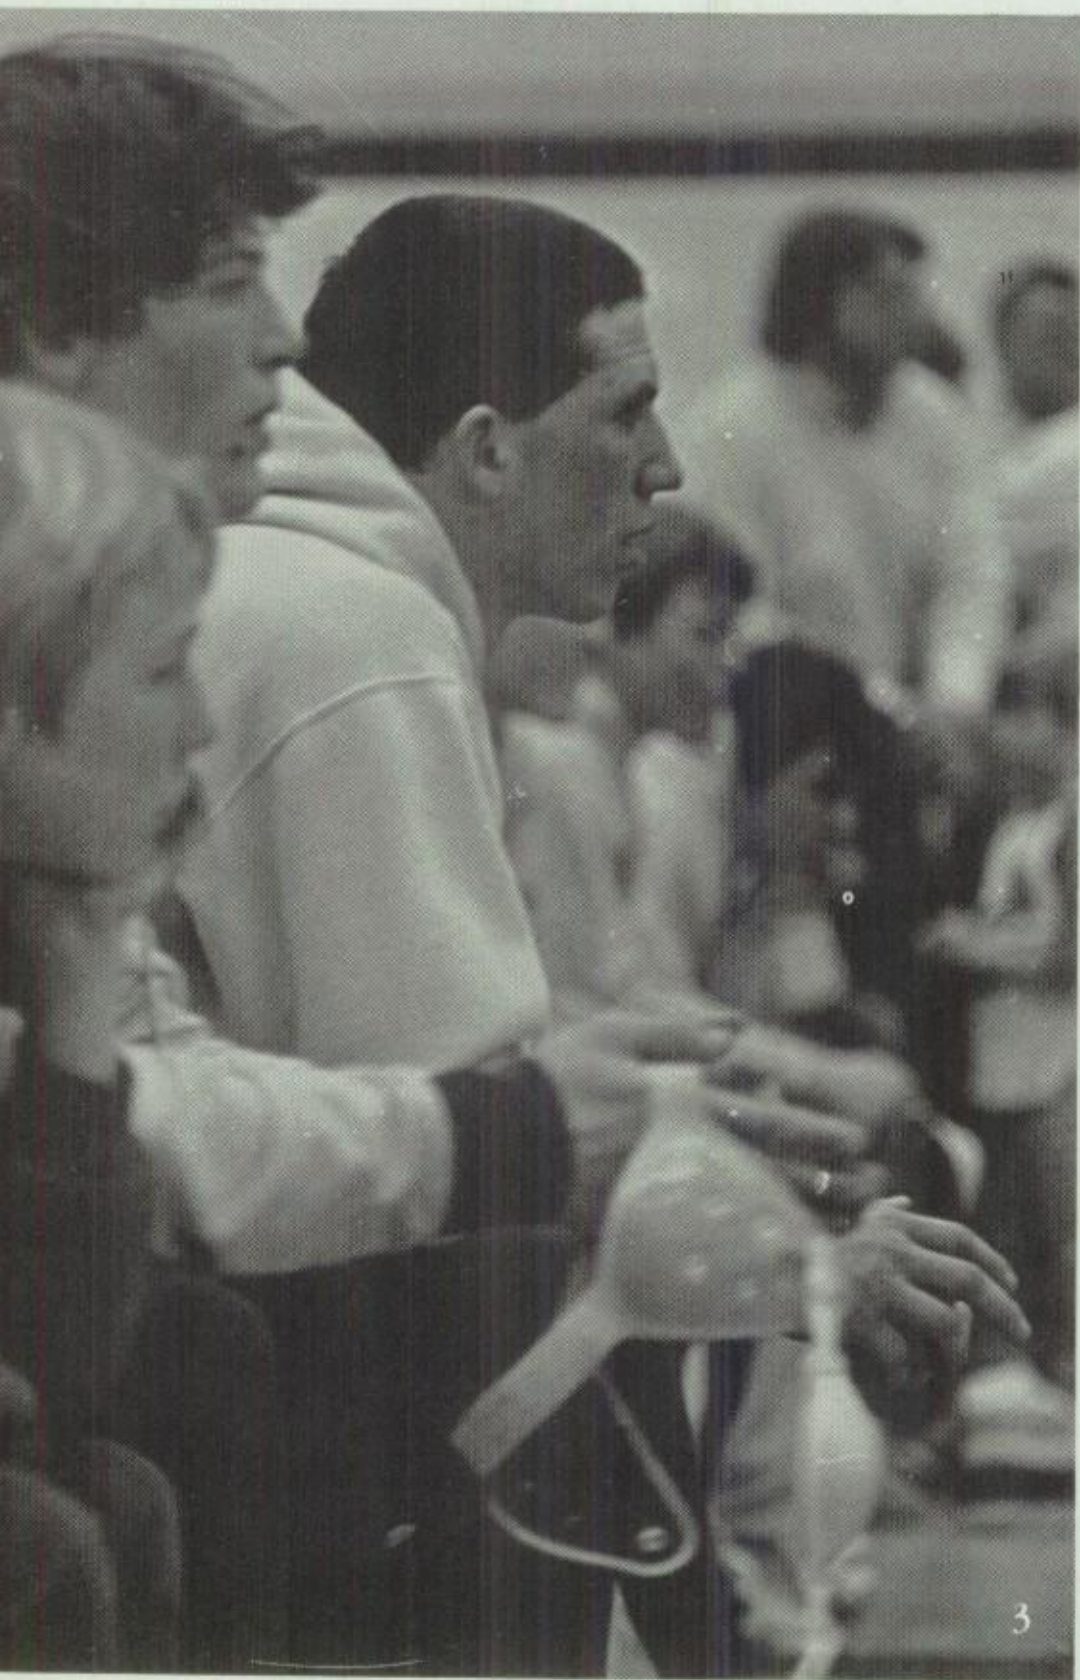

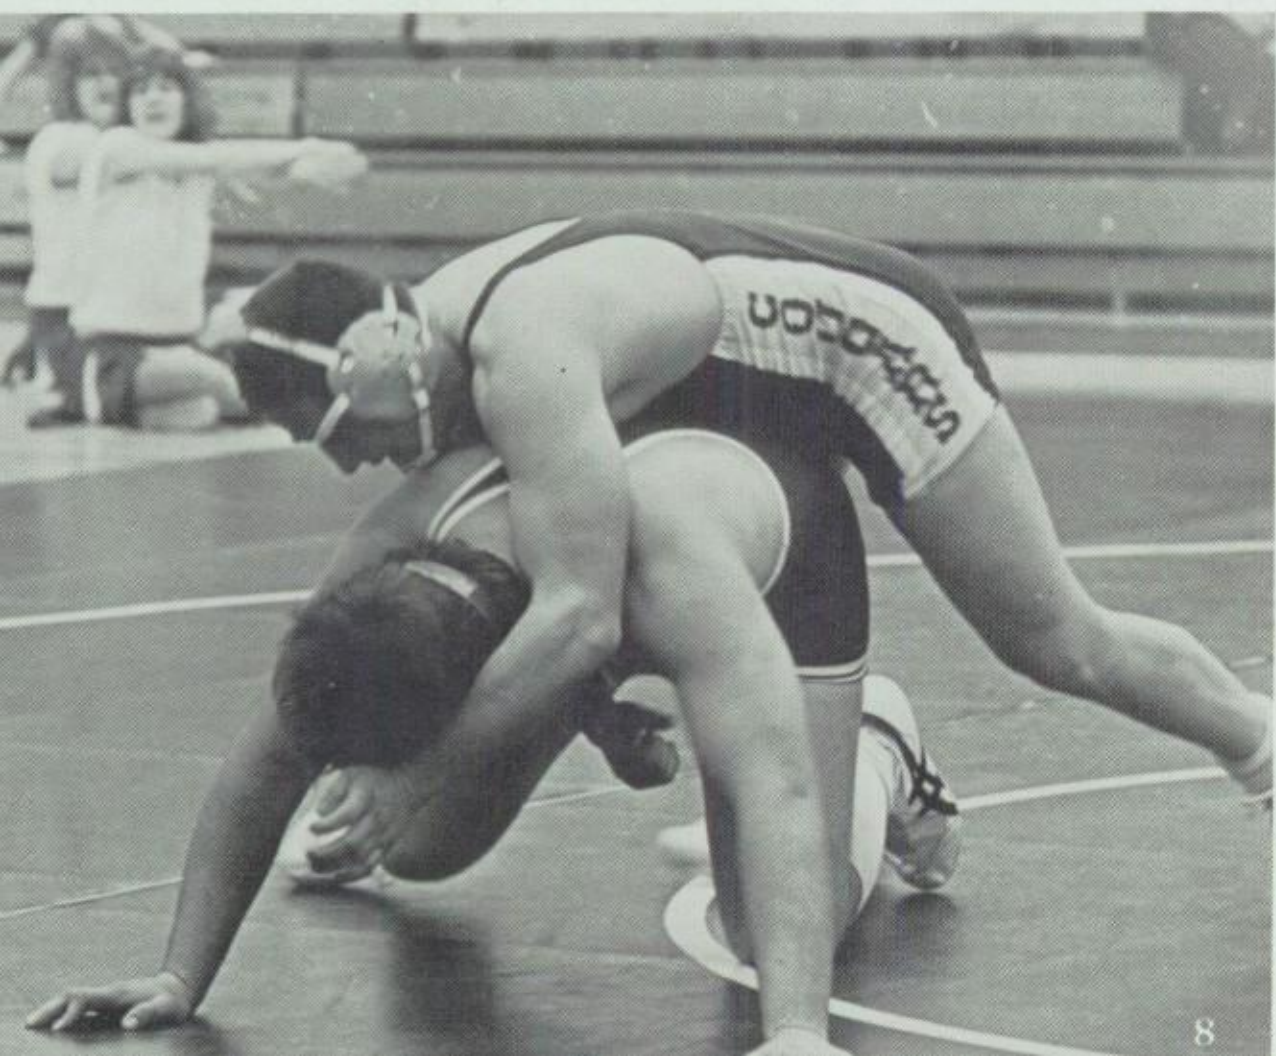

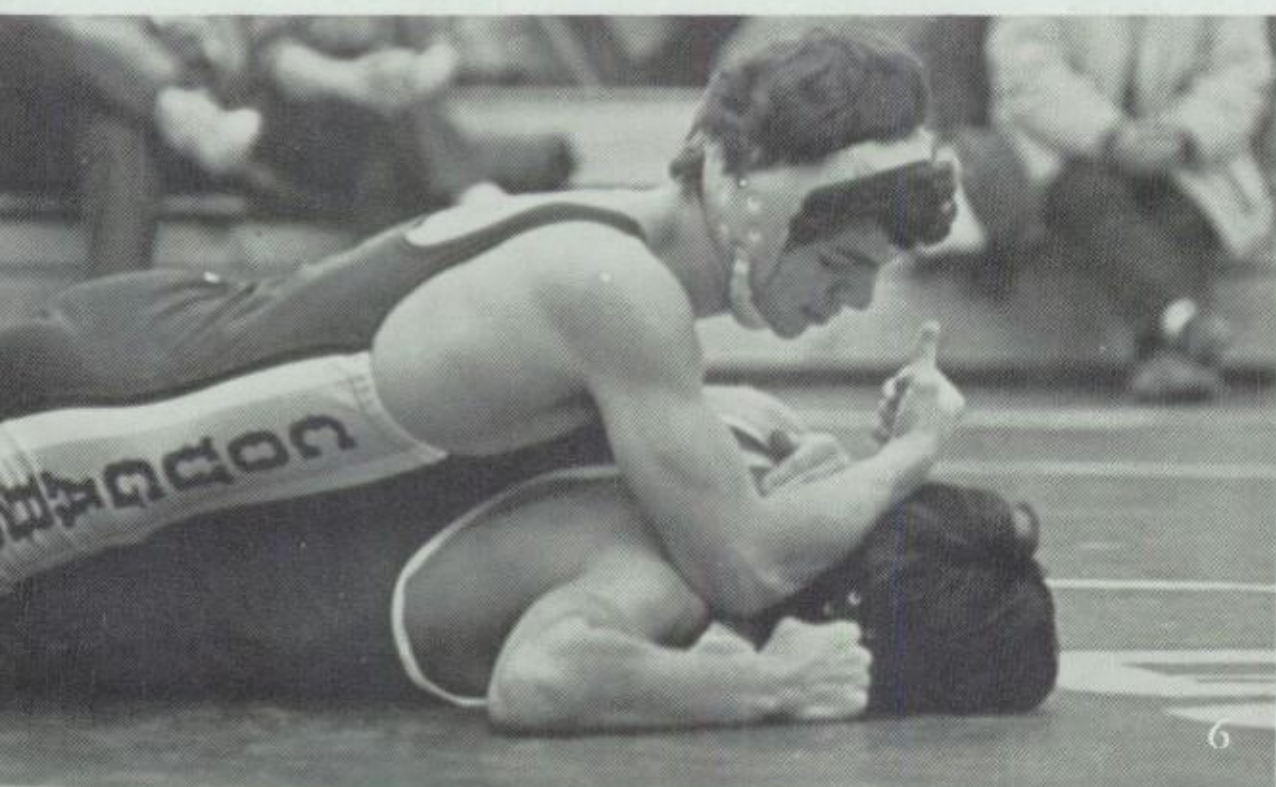

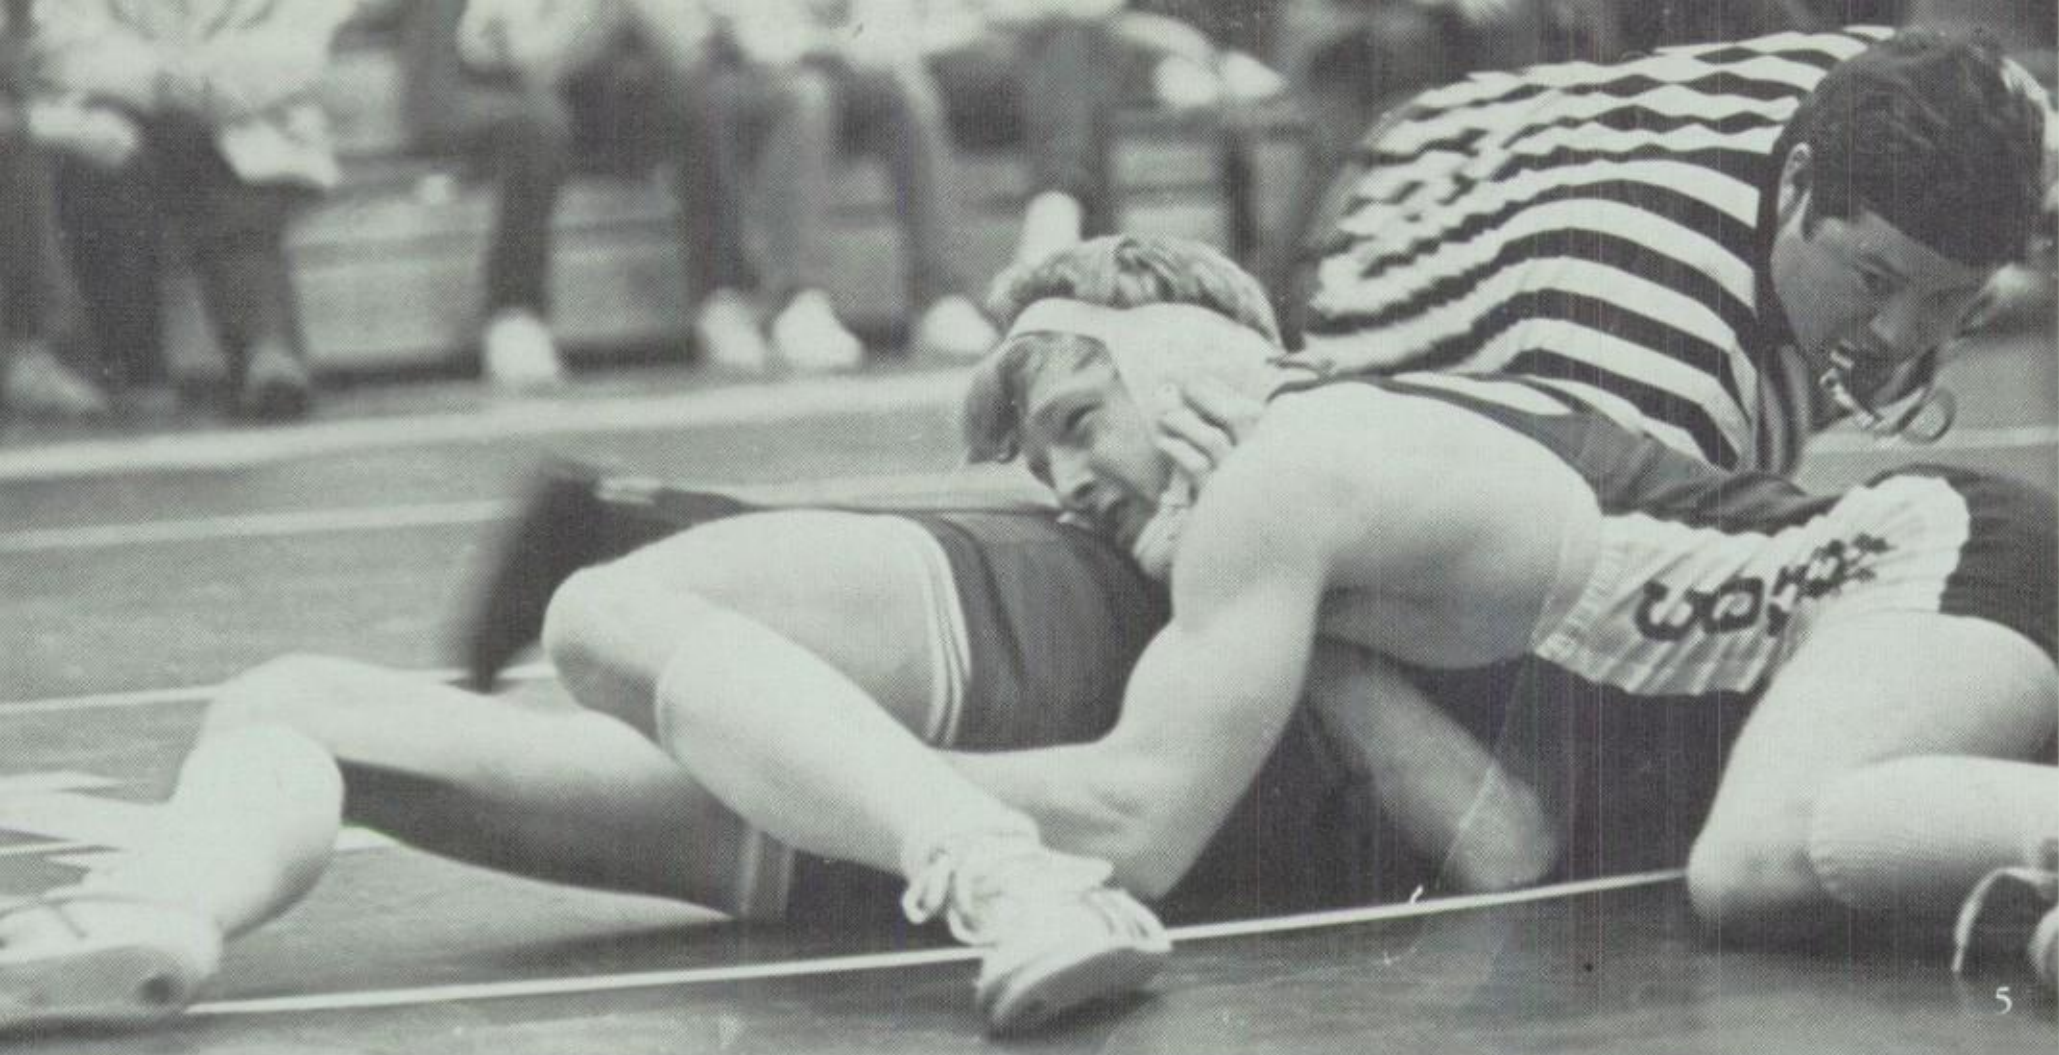

1. Kristy, pay attention!! 2. D-O-W-N, that's the way I get down. 3. Kaboomin' buddies! 4. Up-and-over. (See page 113 for team picture. Left to right: Tricia Cole, Tanya Stafford, Kim Taggart, Shealyn Hall, Karen Boyd, Bobby Jo Brant, Tricia Huffmaster, Donna DeWitt, Mary Wafer, Kirsten Jackson, Kristi Jay, Natalie Hooser.)

Determination, dedication, and desire are what constitute a wrestler. Each wrestler on this year's team possessed those ingredients. The team scored decisive wins over such opponents as Alchesay, Holbrook, and Blue Ridge. They also participated in numerous tournaments, placing sixth at the Holbrook tournament, third at Joe City, and second at our very own Mary Witt Memorial Wrestling Tournament. So a job well done this year proved the determination, dedication and desire necessary to please a coach like our very own "Digger" O'Dell.

Dribble Drive Eat 'Em Alive

Basketball had a terrific season with wins against teams like Valley, Alchesay and Blue Ridge. At the time of this writing, with seven games left, their record is 4-3. Probably the best game of the Varsity basketball season was with Round Valley, which was extended 2 overtimes. Our basketball team finished the game by upsetting the Elks by a score of 67-65. A game like this shows the tremendous amount of dedication and pride our basketball team can put into making a winning season. J.V. had wins over Valley, Alchesay, Blue Ridge and Winslow. The Varsity basketball coach was former Show Low High School basketball "star", Mr. Chris Holladay, and the J.V. coach was local businessman D.L. Nikolaus.

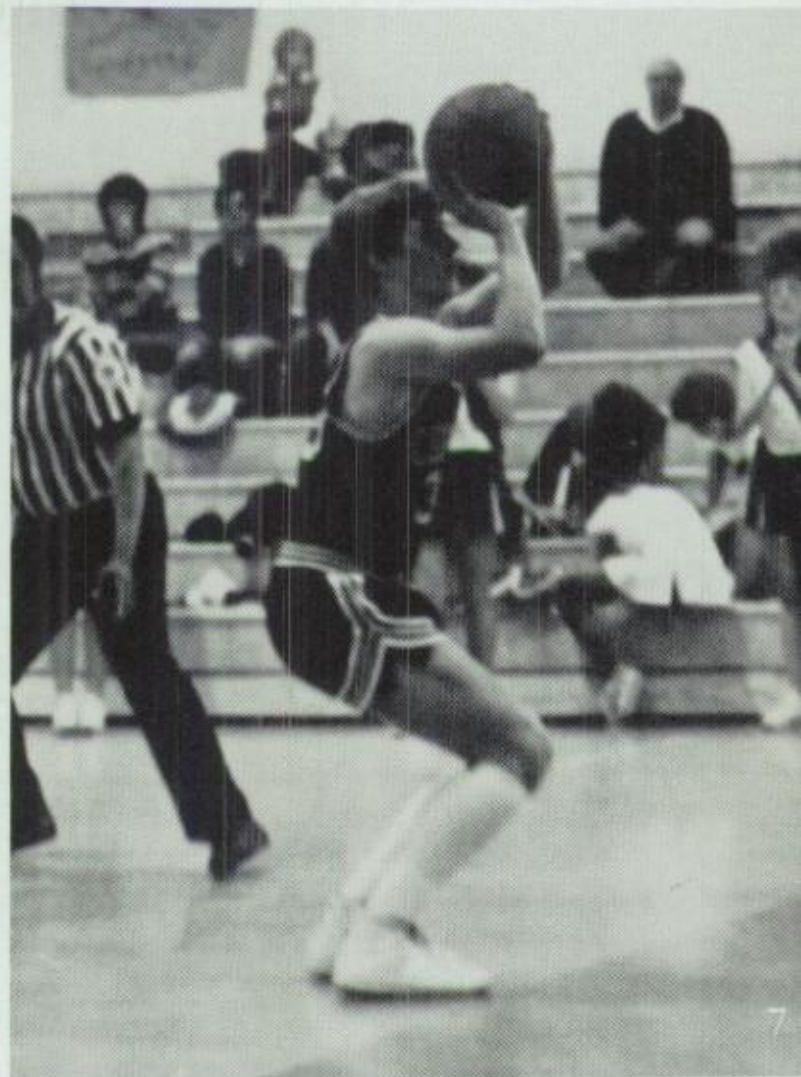

1. The expression of a determined basketball player. 2. A jump above the rest. 3. All you can do is sit and twiddle your thumbs. 4. Girls got the muscle, teachers got the brains, boys got the sexy legs! 5. A shot of amazement! 6. "Come on, I dare you!" 7. Concentration counts. 8. No pressure!?! 9. Easy with the elbow, Loren!

At the beginning of this year's season both the Varsity and Junior Varsity teams came out strong downing Payson their first game. The Varsity team this year had a very strong team, their confidence in each other helped in their team work. This year the Varsity team participated in the Winslow Winter Classic, the team took fourth place in the tournament. This year the Junior Varsity team also had a strong season. They played hard as a team and their record as of the eleventh game was 6-5. The Varsity record as of the twelfth game was 8-4. The Junior Varsity team this year consisted of six sophomores and four freshman. The Varsity team consisted of six seniors and four Juniors and one sophomore.

Happy Trails To You!

Cross-country was out and running for the sixth consecutive season. The team was really small, made up of only ten members coached by Mr. Scholten. At the district meet in Snowflake, seniors Kathy Freeman and Monty Owens both brought home, respectively, third and fifth place medals. Coach Scholten expected the team to place "fourth of fifth" at the divisionals, but finished with a surprising third place. There were some excellent freshman performances. We saw some of these young athletes accomplish a three mile run in less than eighteen minutes, which is super for a freshman.

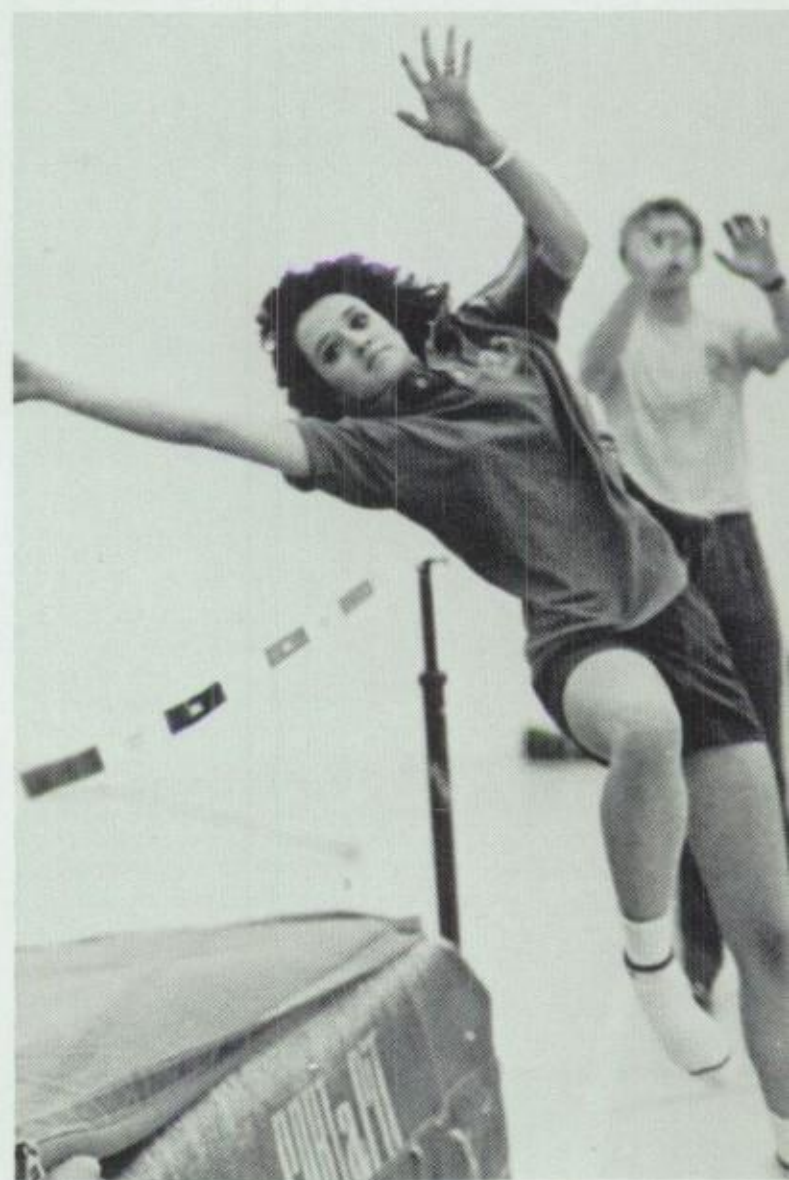

1. Who says guys are better than girls?
2. Everyone run on the same leg!
3. Monty was the team captain and Kathy was the only girl on the team.

Bringin' Home The Gold!

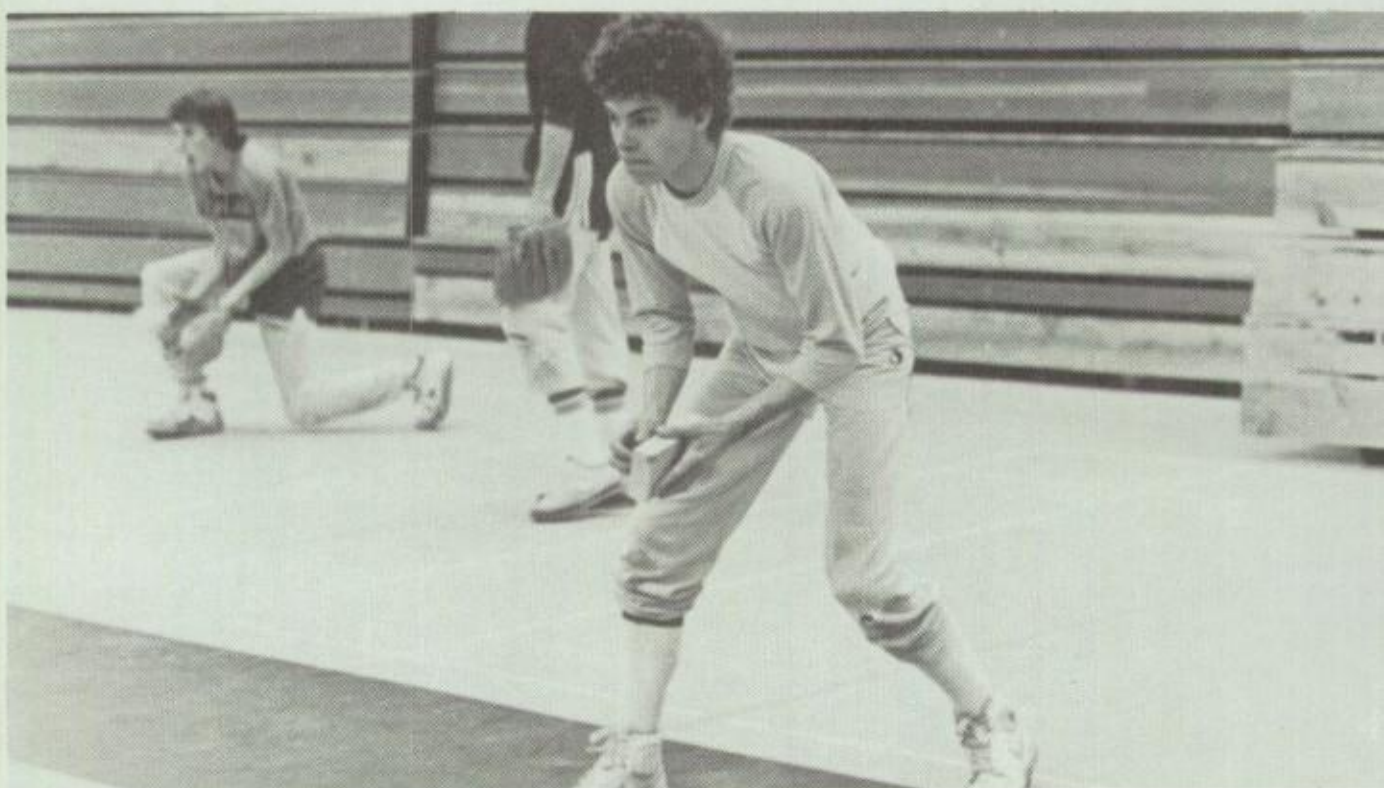

(Due to deadline pressures, this copy is more of a prediction than a report.) Track is looking better than ever this season. To this point in pre-season, team success is relative due to the increased number of teams in the A-East conference over last year. Individual standouts should be David Frost, hurdles; Susan McCormack, sprints and hurdles; Monty Owens, long distance; Cher Cutler, 400m, 800m and relays; Kris Linch, pole vault; Shawn Bryant, 400m and relays; Tim Godfrey, discus; Mitch Squire, shot put; and Mike Hall, middle distance. Coaches for the track team are Mr. Scholten, Mrs. Sara Cunningham, and Mr. John Weisner.

Take Me Out To The Ball Game

(Due to deadline pressures, this copy is more of a prediction than a report.) To this date, our 1985 baseball team has been working hard to become the best. The team has remarkably good chances of gaining the A-East championship, because they have eight returning varsity players. It looks as though seniors Craig Brown and Loren Covington will be the key athletes this season. There is a total of 27 baseball players coached by Mr. Tom Pantera. Assisting Coach Pantera is Mr. Randy Tenney, varsity; and Mr. Jim Brookbank, working with the junior varsity squad, who plan to have a great season as well.

1. Craig dares to be different. 2. Rage in a cage! 3. Wave "Bye-Bye"! 4. Gary tries to "block" the ball. (Team picture left to right p. 124) Top row; Coach Brookbank, Scott McNeil, Faron Halter, Joe Nelson, Ray Layton, Keevin Reidhead, John Jameson, Jeff Corder, Brian Brewer. 2nd row; Randall Whipple, Matt Nelson, Mark Kolakowsky, Chris Wade, Shawn Curbello, Jason Williams, Marty Wallace, Lee Spaulding. 3rd row; Cliff Layton, Loren Covington, Craig Brown, David Burmiester, Brad Osgood, Kevin Morgan, Bob Owens, Russ Boyd. 4th row; Coach Tenney, Jeff Perkins, Gary Wakefield, Pat Walker, Rusty Nikolaus, Pete Severance, Steve Bryan, Donny Higginbotham, Coach Pantera.

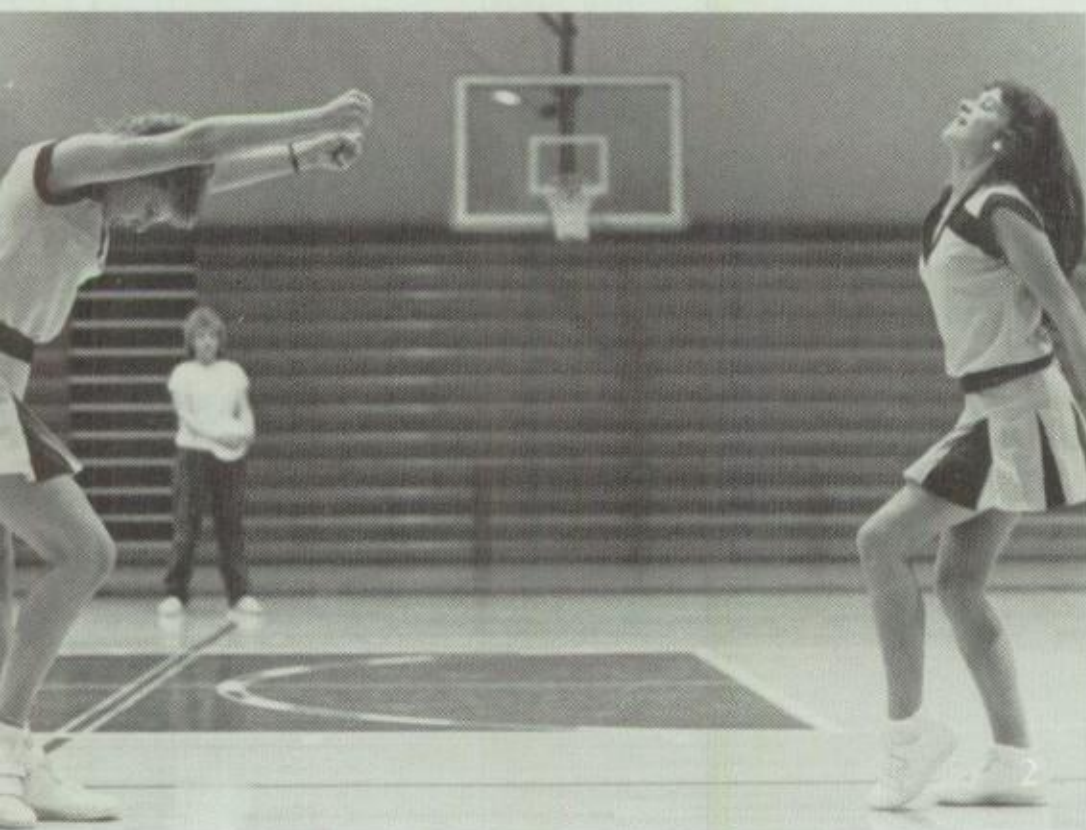

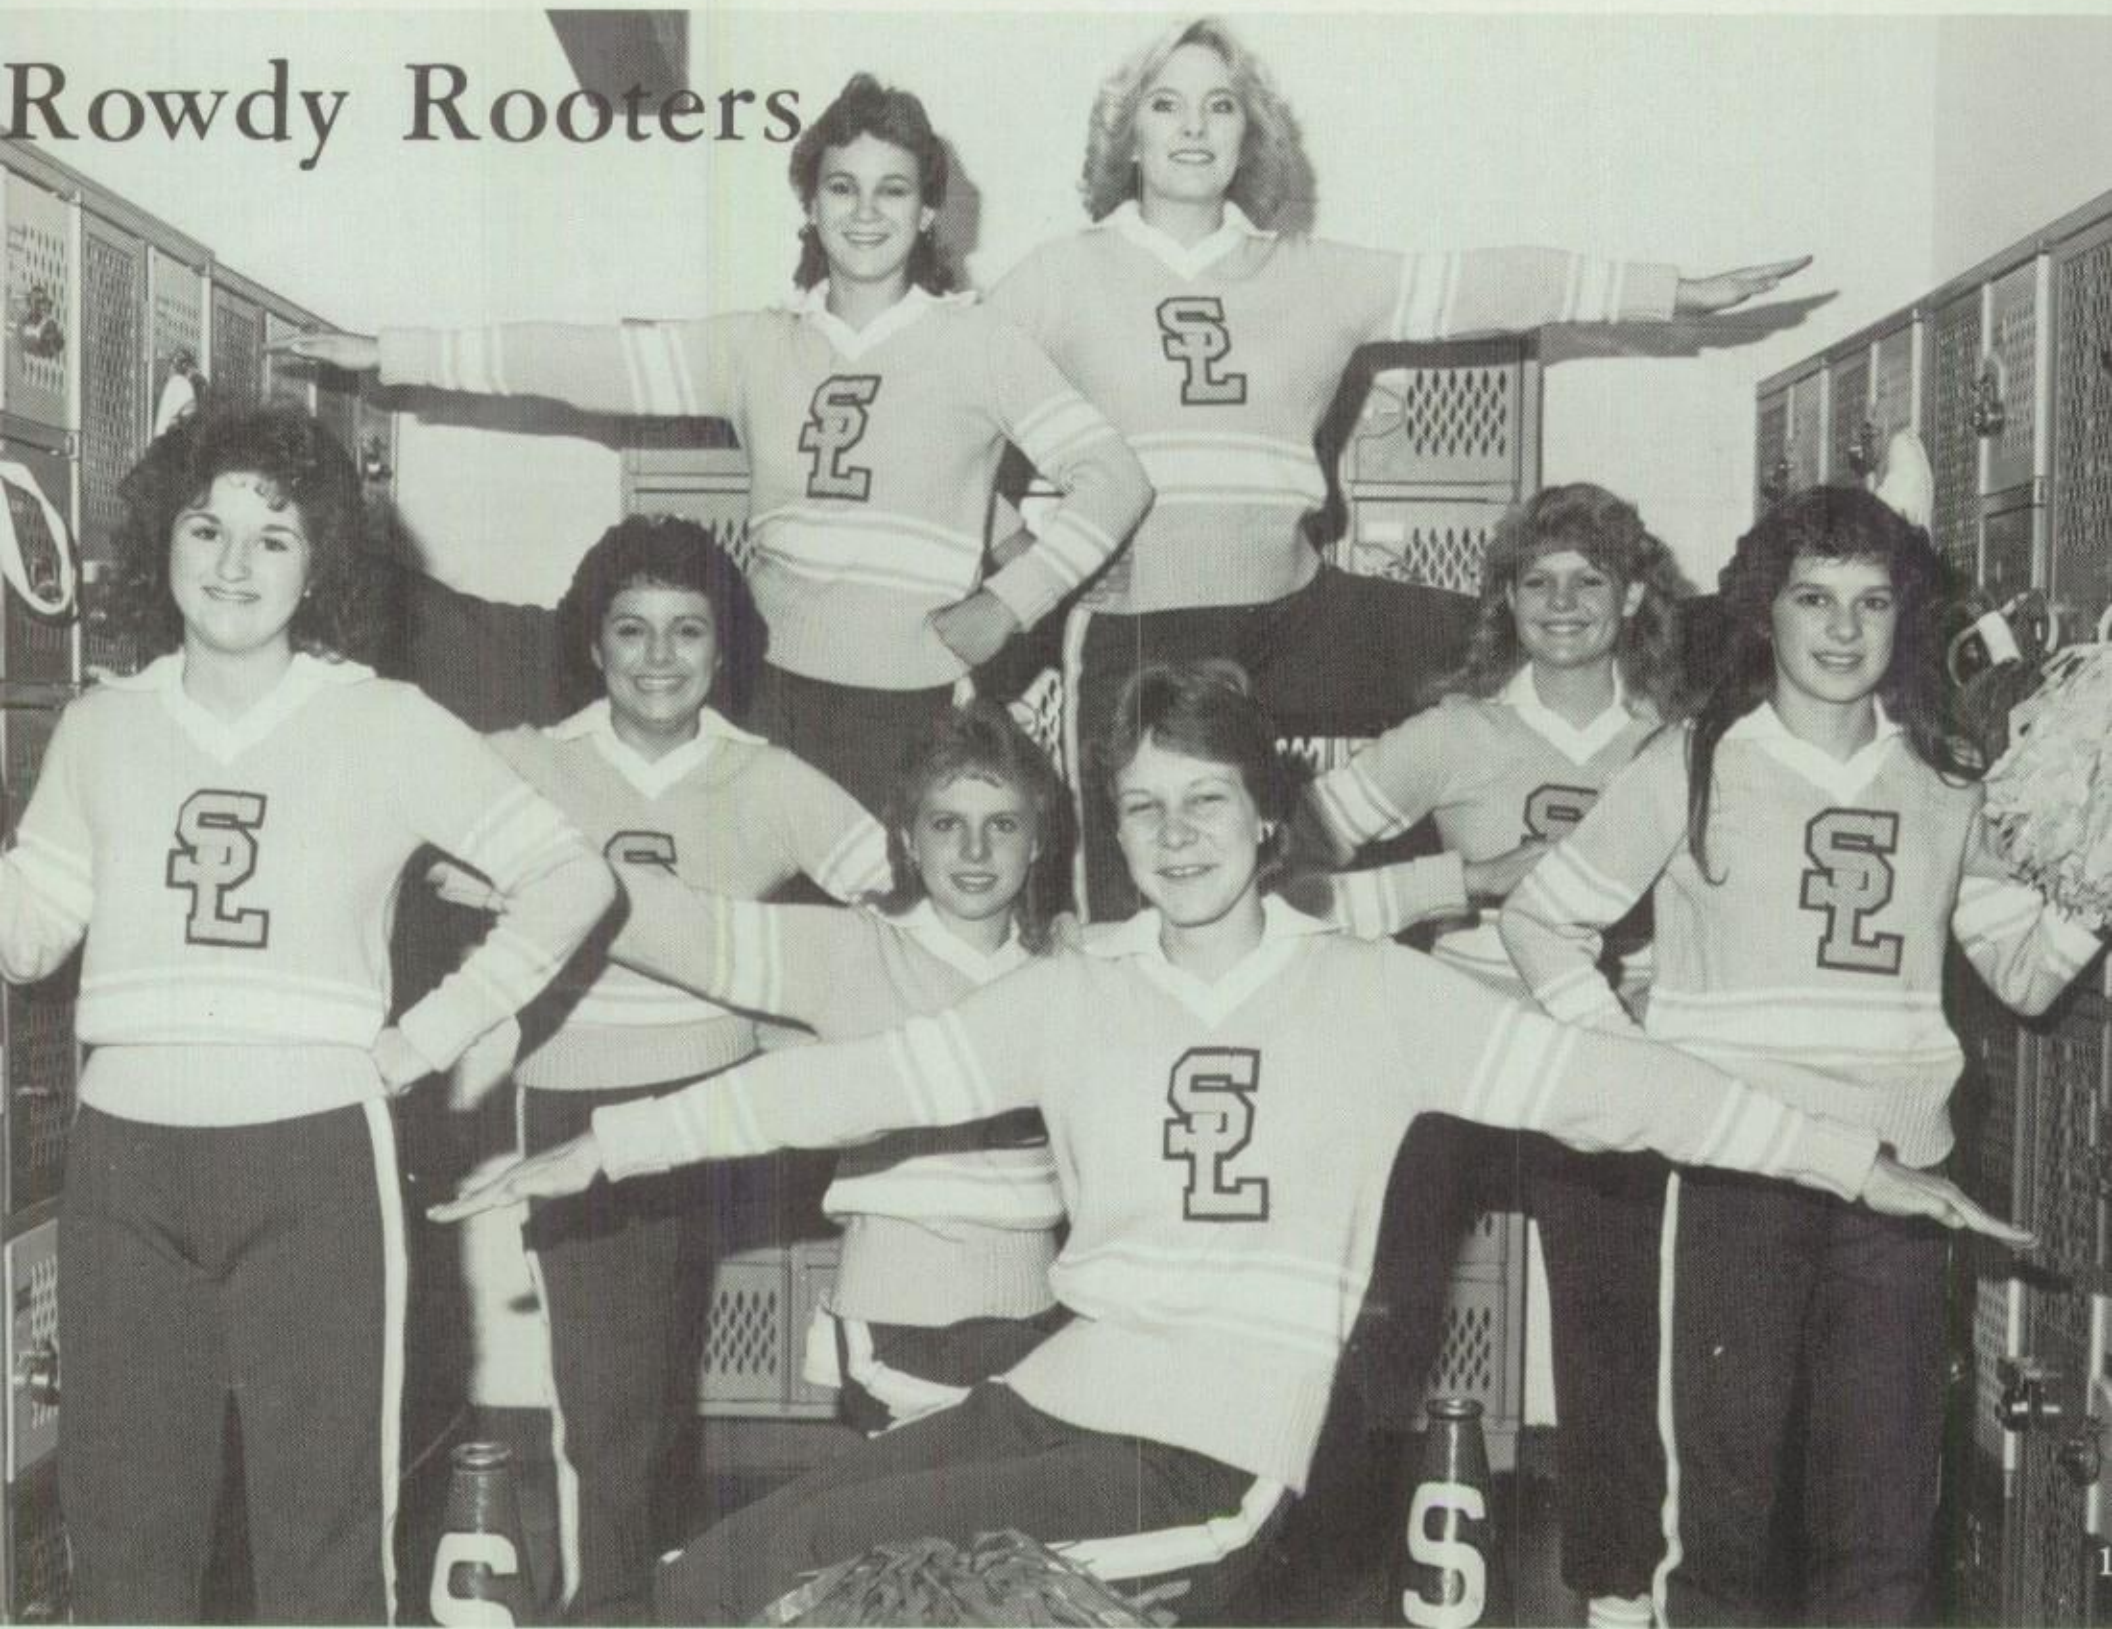

The Softball pre-season got off to a slow start due to a wet spring. It prevented the team from practice on the field, so they had to practice on the Junior High sports court. This year the team consists of 22 players, 12 of these players returning. With the amount of returning players the team should have a good chance at achieving their goal to go to State playoffs at the end of the season. This years coaches are Head Coach Stan Bingham, and Assistants Jan Crook and Peggy Tucker.

Cheerleading is lots of hard work. It's being part of the team, having responsibility, and finding out what responsibility means. A cheerleader needs enthusiasm and confidence in her ability; because she is leading the crowd. A symbol of vitality. A never-ceasing interest. Feeling tense and nervous. Laughing and wanting to win. Accepting the disappointment of defeat. Learning to try once again. Working for many hours, going through stiffness and aches. Wondering if you can improve and realizing the work it takes. But deeper than this, it's a feeling of making friends and knowing you're a leader.

Dance Fever

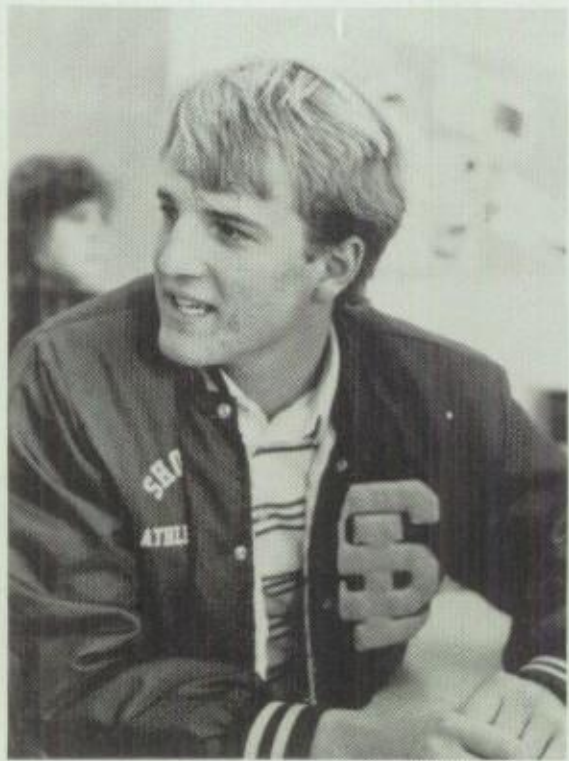

The 1984-85 pom squad has danced a lot of spirit into our school this year. They have been everything from California beach bums to Santa's elves. Their routines have jazzed up many pep assemblies this year. Carol Jones is the head of this "great, big, happy family". The girls have done a super job at entertaining the school and we appreciate all they've done.

Every year the Athletic Club sells popcorn at the Football games, Basketball games, Wrestling matches, etc. In doing so each member of the Athletic Club earns points to attend the Athletic Club trip to Phoenix toward the end of the year. To be a member of the Athletic Club there is one requirement, you have to be a varsity letter athlete. According to one of the advisors of Athletic Club, Coach Odell, "The Athletic Club seems to be moving forward in school popularity due to the increase in girls sports and the winning tradition at Show Low High." The most active members in the Athletic Club this year have been the president, Mike Hall, and the one and only popcorn man, Bob Owens.

The Band represented our school as an organization with a talent of music superior to any school in this area. Band traveled to Arizona State University to observe top state bands, plus a solo ensemble festival, and a large group festival. They also planned a trip to Disneyland in June. Mrs. Scholten said, "So many times they play notes, but not music. She also thought that this was one of the best marching seasons ever, and she is looking forward to an even better season next year. Although the weather put a "damper" on their rehearsals, band worked really hard and played very well.

Sing Your Way To Stardom

Concert Choir, with 25 members, worked really hard to go to Southern California this year. They did a number of fundraisers, such as performing at a Christmas dinner called "Feast of Carols", and singing at the Christmas tree lighting. The persons responsible for scheduling these fundraisers were known as the Choir Council. The council consisted of four persons, and they were Ione Pearce, Mike Hall, Ryan Mills, and Caryn DeWitt. Mr. Gentry said that for people to be in Concert Choir they should have taken choir for at least one year. He said, "A lot of progress has been made" and he would "like to see more students in Concert Choir."

Drama Club let themselves be known this year. They had a vast amount of activities planned such as candy sales, field trips to see other plays, and their annual awards night. Money from these activities went towards buying club members matching T-shirts and jackets. There were 30 members, involved, and they believe their school popularity is about the same. The requirements for Drama are that a person must have interest in having fun and in furthering their theatrical talents. Mrs. Wasson was their advisor.

Singing For Success

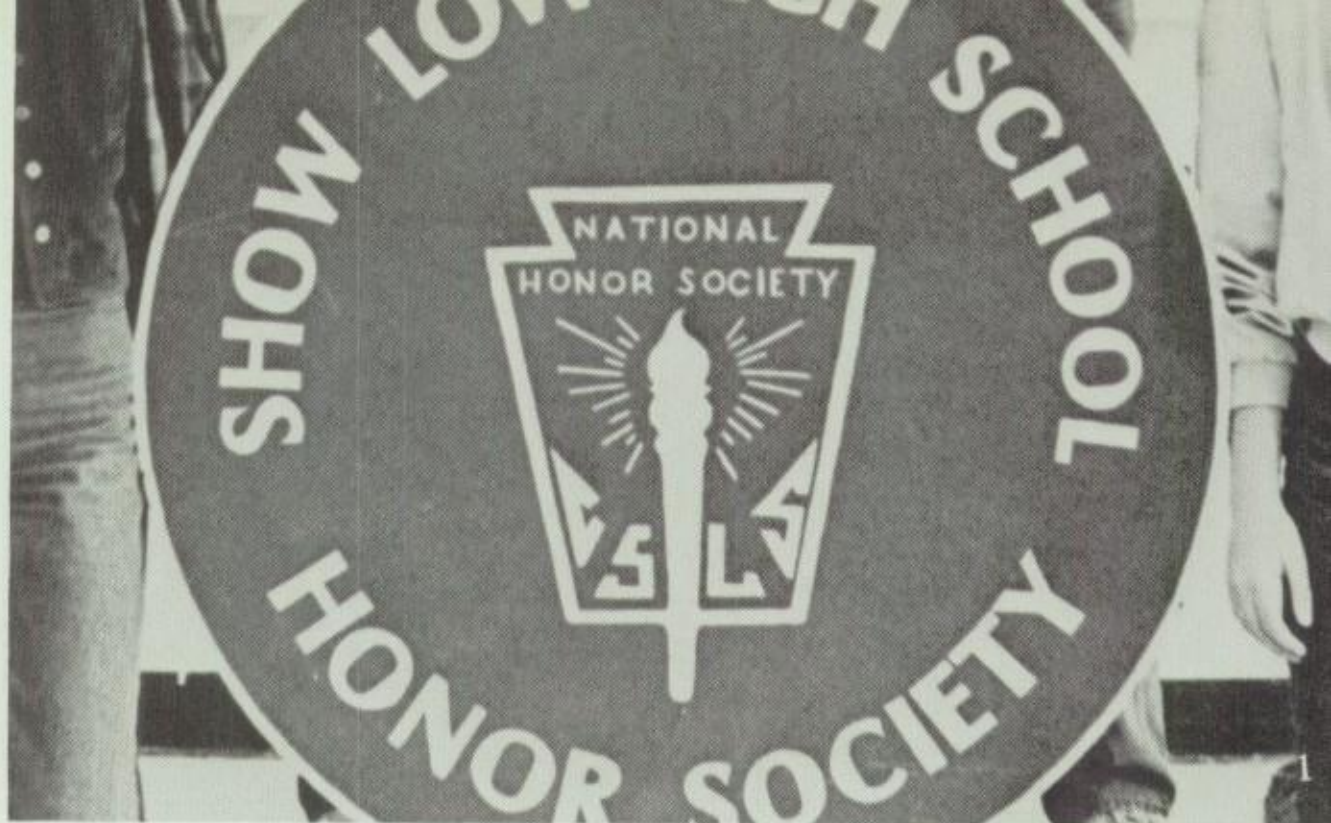

The Swing Choir started off the year by going to St. Johns for a Jazz Festival on November 3. Every year the choir adds more positions and movements in every performance adding to the discreetness of each song. This year the Swing Choir made plans to take a trip to Southern California in February. To raise money for the trip, the choir had sold candy and had put on a dance. In December they held a dinner show in the upper and lower commons to also raise money for the trip.

Newspaper continued printing our school paper, the "Cougar Pause", this year. They are gradually moving up in popularity compared to the other clubs. There were sixteen members in the class this year compared to four the previous year. To be in newspaper, Mrs. Wasson said, "You should have writing skills or interest and be responsible." Katherine Freeman proved to be the Cougar Pause's most prolific writer. Editor and Co-Editor, respectively, were Carol Robinson and Connie Jackson.

1. Caryn DeWitt, portrait of the perfect student. 2. Tracie Beach sits waiting for one of Mrs. Lopeman's LONG assignments. 3. What's so funny, Jennifer. 4. FBLA lt. to rt.: Mrs. Lopeman, Tracie Beach, Tandy Harris, Tammy Johnson, Jennifer Tippetts, Caryn DeWitt, Delores Robles.

Future Business Leaders of America is a co-curricular program for interested business students pursuing in the business field. Locally, the F.B.L.A. state membership is inactive. However interested business students have fund raising drives to earn money to finance field trips to select companies within the state. This year's plans have been made to visit the Sunland Regional Office for State Farm to learn about their office practices and what is expected of the future business employee.

Mind Your Own Business

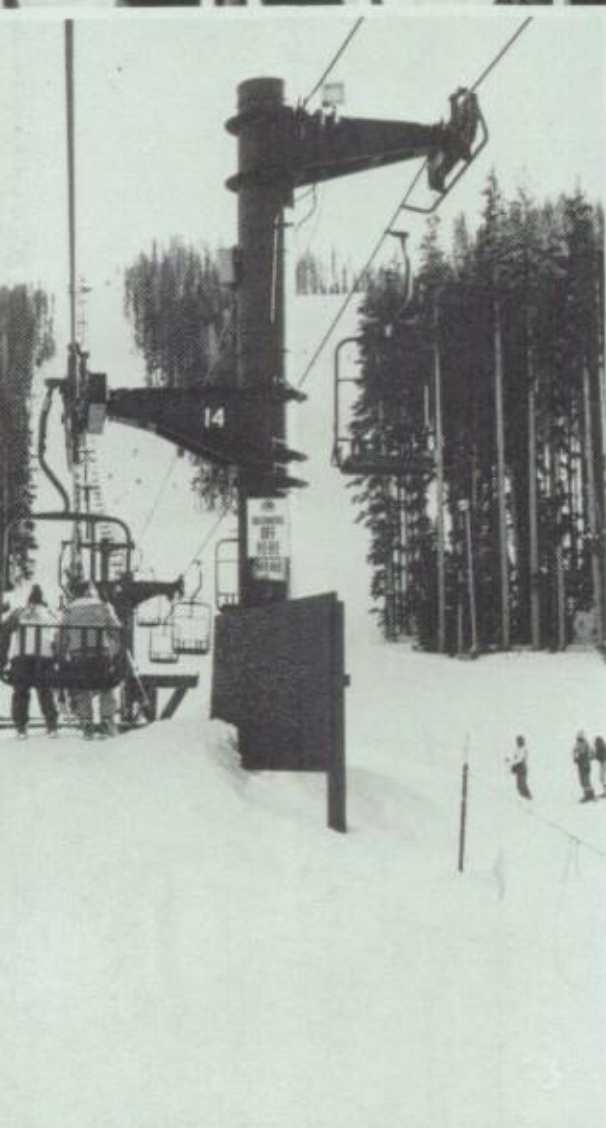

This year's Ski Club was off to a late start with its first trip on January 10, but they picked up the pace as the best skiing lay before them. Mr. Craig and Mrs. Clayton alternated the driving duties from week to week. They also instructed any first time skiers, while some of the "Old Timers" could probably have shown them a thing or two. Lift tickets were expensive at \$15 for a half day, but equipment rental was cheap as was the gas bill of one dollar a head. A good time was certainly had by all.

1. A little pigeon-toed, wouldn't you say? 2. Ski Club (PARTIALLY!) (left to right): Mike Tate, Tricia Huffmaster, Glenn Bedford, Mundy Jensen, Jason Kay, Tonya Mollenhauer, Liam McNamara, Alice Albertson. 3. A shot just before departing one of the ski lifts. 4. Yes, Tonya, that is your right foot.

1. Spanish Club from lt. to rt. Ramona Carlson, Dean Romero, Sandy Russell, Andrea Queiruga, Annalisa Gonzalez, Shannon Amos, David Frost, Ludene Whipple, Kristen Sharp, Chelly Hall, Kellyn Tisdale, Delline Ellsworth, Cory Portis, Tim Button, Marcy Burden, Shane Burleson, Chuck Mahan, Shawn Abrams, Eddie Brydle, Donny Carlisle, Ric Brownfield, Tim Godfrey, Tom Duncan, Charles Pettingill, Mr. Allen 2. I see a slight resemblance Mr. Allen. 3. Kelly Tisdale, Vice Head Honcho. 4. Delline, Marcy and Kelly just point, because they speak no English?! 5. The Spanish Club with nothing better to do.

Club de Espanol (Spanish Club) packed their bags and cruised down to Mexico as they have in the past. The club was very active in the activities they planned such as dances, Valograms, and selling candy. Their most active member was Cory Portis, who had earned all his points within the first semester of school. Their club president, Chuck Mahan, said earlier in the year "We have a really active bunch of Spanish students this year and hope to have a great time down in Mexico." Mr. Allen was the Spanish club advisor this year, and he kept them busy by scheduling a large amount of activities for the club.

1. I make a motion that we ajourn this meeting. 2. Another chaotic meeting. 3. I'm writing as fast as I can. 4. Student Council from lt. to rt. Jan Jackson, Michelle Johnson, Chuck Mahan, Suzy Rogers, Wendi Wilcock, Lynn Hunsaker, Mandy McKinley, Penny Smithson, Ryan Mills, Calvin McNeil, Katherine Freeman, Treasurer; Carol Jones, Parliamentarian; Ric Brownfield, President; Tracy Sumerlin, Recording Secretary; Christy Corder, Corresponding Secretary; (not pictured) Susan McCormack, Vice-President.

Student Council continued their efforts of making our school a better place to go to. With Mr. Adams succeeding Mrs. Ruth, student council made Homecoming, CO-ED, the fundraiser dance for Becky Hunsaker, various dances and dress-up days great for building school spirit. Carol Jones, Susan McCormack, and Chuck Mahan greatly contributed to the Student Council with the work they did. They held their meetings weekly on every Wednesday at lunch with a total of about 35 members showing.

NEGATIVE NOTES

As another year draws to a close we can't believe it's already that time again. It's a time for reflections on what we've accomplished, the goals we've reached, the opportunities we've let slip by. It's a time to learn from past experiences and put this knowledge to use for the future. This book is one of the goals achieved by the 1984-85 Reflections Staff. We attempted to encompass the entire year in pictures and we succeeded. We hope this book will bring laughter to the present and stirrings of fond memories in years to come.

You Are In Pictures!

We, as Editor and Co-editor, would like to thank each member of our staff for everything they contributed in making our yearbook what it is. A very special thanks is owed to one who doesn't get the credit he deserves: Mr. Craig, thank you for all your help and support. This is 1984-85 recorded for you, enjoy it now - treasure it in the future...
